

Repair Your Home with Habitat

Habitat Pittsburgh provides low-income homeowners in Allegheny County a variety of affordable home repair opportunities, including:

- Flooring, drywall, ceilings, and painting
- Windows and doors
- Insulation and weather sealing
- Roofing, gutters, soffit and fascia
- Mechanical systems (heating, plumbing, electric)
- Health and safety remediation
- Accessibility modifications

Your first step to repairing your home with Habitat Pittsburgh is to review our [program requirements](#) and [list of repair programs currently accepting applications](#).

Program Requirements

To qualify for Habitat Pittsburgh's home repair program, you must meet our requirements:

Homeowner in Allegheny County

You must currently live in a home you own within Allegheny County. Your home must need repairs within the categories listed above. Homeowner's insurance is also required.

Low-Income

Your household income must be less than 80% Area Median Income. Use the table with your family size and total annual income to confirm your eligibility.

Payment

You will be required to make an affordable, one-time payment. You will pay on a sliding scale, up to 10% of the total repair costs.

Household Size	Maximum Income
1	\$60,100
2	\$68,700
3	\$77,300
4	\$85,850
5	\$92,750
6	\$99,600
7	\$106,500

Apply for Home Repairs

Habitat Pittsburgh is currently accepting applications for the following affordable home repair services:

Furnace Repair

Habitat Pittsburgh can assist you with affordable furnace repairs or energy-efficient replacement. *Please note: This is not an emergency service, we are unable to provide immediate assistance.*

Homeowners Energy Efficiency Loan Program (HEELP)

This loan program provides up to \$10,000 at a fixed-rate of 1% for energy-efficient home repairs, including furnace, roof, window and door replacement. This program is provided by the Pennsylvania Housing Finance Agency (PHFA), see [their eligibility requirements](#).

General Home Repair

We are not currently accepting applications for repairs other than the programs listed above. Check this webpage or [signup for our email notifications](#) list for future home repair opportunities.
