Public Comments:

Jamie Trunzo – I received a call today from Nick Pisciotano letting me know that a grant I applied for back in May came through and the Senior Center is getting \$20,000.00. This money it to do the outside of the building, the ceiling tile inside of the building and some painting.

Joe Borelli – I would like to know what the borough ordinance is regarding noise. My son plays the drums, it is therapeutic for him. I don't want to cause any issues with my neighbors.

Falco Muscante – It depends on what impact it has on your neighbors.

Helen March – We had worked out a solution with his mother and it was working very well up until a week ago.

Joe Borelli – I didn't come here to argue with anyone, I just came to find out what the law is.

Motion made by Trunzo second by Nabors to adjourn.
