

Order to Oregon State, and or State Registrar

Dear Jennifer A. Woodward

Under HJR-192, and under Universal Commercial Code Law I, Casey of the PURINGTON family come to you in peace to make an official "Order". It has been made clear to me that the Birth Certificate is in fact a negotiable instrument under Universal Commercial Code Law, as well as you (Jennifer A. Woodward) stated, "I'm the MANAGER/KEEPER of the original document" which makes you the Bearer of this negotiable instrument/birth certificate/bond and you can't have a Bearer without a negotiable instrument. This written order is to make me the fiduciary on this negotiable instrument/birth certificate/bond, as I am of legal age to do so, and competent enough to read, write, and handle business matters on behalf of CASEY JAMES PURINGTON the legal fiction. It has also been stated to me many times by State and Government official's that these documents do in fact belong to me, so I would like to take the fiduciary ownership in the original bond/birth certificate/negotiable instrument to access the CONSIDERATION. This order is to once again make me the fiduciary on this negotiable instrument and to send me instruction for accessing the CONSIDERATION. This contract was between my birth parents and the State of Oregon on 02/04/1985 and filed on 02/07/1985 by the State of Oregon; and too which I had no previous knowledge of.

Also- you stated to me over the Government Business Telephone you were NOT under oath while you were conducting official business with me on April 11th, 2017. I'm not sure how that works, but If you rebut this "order", I will need you (Jennifer A. Woodward) to sign under oath, date, and have it notarize and returned to me with a certified signature.
