

Greenstone Gold Mines L.P. is a 60/40 joint venture partnership between Equinox Gold and Orion Mine Finance Group formed for the purpose of the joint ownership and development of the Greenstone Gold Property including the Greenstone Mine located on a historical mine site in the Geraldton-Beardmore Greenstone belt in Ontario. The Greenstone Mine is managed directly by a dynamic and experienced Owner's team, with an estimated \$1.5 Billion investment over the three-year construction and commissioning phase, and a 14-year operating life of mine.

Contour Drill Operator

Greenstone Mine is seeking a Contour Drill Operator to join our team. Reporting to the Mine Operations Supervisor, the Contour Drill Operator is responsible for safely and productively operating a D65Smartroc.

PRIMARY RESPONSIBILITIES MAY INCLUDE:

- Operate the D65Smartroc Drill in a safe and efficient way in accordance with all relevant legislation, company policies and procedures.
- Perform Field Level Risk Assessments.
- Maintain a high level of housekeeping as well as refilling all fluids and replacing tooling as required.
- Complete logbooks and daily reports on delays, production, geological information, and safety issues.
- Use two-way-radio, and horn signals to communicate with other operators and ensure safety.
- Use the Drill according to operating practices to bore holes varying in sizes from 165mm to 229mm.
- Monitor gauges, and other indicators to make ensure the Drill is working properly, report discrepancies.
- Monitor gauges and adjust pull-down, hold-back, rotation and air pressures to optimize penetration rates and borehole quality as ground conditions change.

SKILLS AND COMPETENCIES

- Safety conscious
- Self-motivated
- Ability to prioritize multiple tasks
- Ability to read, understand and follow work instructions in a safe, accurate and timely manner
- Candidates must demonstrate good verbal and written communications skills
- Ability to work independently as part of a team in a fast-paced environment
- Willing to adapt and work in an inclusive work environment
- Willing to perform repetitive tasks

EXPERIENCE, QUALIFICATIONS AND EDUCATION

- A minimum of 3 years of experience operating a Contour Drill in a mining setting
- Valid driver's license
- Prior experience in an industrial or a mining setting is an asset
- Heavy Equipment Operator Training or pertinent experience is an asset
- Ontario Surface Common Core Training is an asset

LOCATION

- This position will be based in Geraldton, Ontario.

HOW TO APPLY
