

Greenstone Gold Mines L.P. is a 60/40 joint venture partnership between Equinox Gold and Orion Mine Finance Group formed for the purpose of the joint ownership and development of the Greenstone Gold Property including the Greenstone Mine located on a historical mine site in the Geraldton-Beardmore Greenstone belt in Ontario. The Greenstone Mine is managed directly by a dynamic and experienced Owner's team, with an estimated \$1.5 Billion investment over the three-year construction and commissioning phase, and a 14-year operating life of mine.

## **Excavator Operator**

Greenstone Mine is seeking an Excavator Operator to join our team. Reporting to the Mine Operations Supervisor, the Excavator Operator is responsible for safely and productively operating tracked excavators varying in operating weight.

### **PRIMARY RESPONSIBILITIES MAY INCLUDE:**

- Operate the excavator in a safe and efficient way in accordance with all relevant legislation, company policies and procedures.
- Perform Field Level Risk Assessments.
- Cleaning and lubricating the excavator, refilling all fluids as required.
- Complete logbooks and daily reports on safety issues and production.
- Use two-way-radio, and horn signals to communicate with other operators and ensure safety.
- Use excavators according to operating practices to excavate materials such as overburden, sand, gravel, blasted rock, and snow.
- Use excavators to scale walls, to bench and load mine haul trucks, to break rock with the rock breaker attachment when required.
- Monitor gauges, and other indicators to make ensure the excavator is working properly, report discrepancies.

### **SKILLS AND COMPETENCIES**

- Safety conscious
- Self-motivated
- Ability to prioritize multiple tasks
- Ability to read, understand and follow work instructions in a safe, accurate and timely manner
- Candidates must demonstrate good verbal and written communications skills
- Ability to work independently as part of a team in a fast-paced environment
- Willing to adapt and work in an inclusive work environment
- Willing to perform repetitive tasks

### **EXPERIENCE, QUALIFICATIONS AND EDUCATION**

- A minimum of 2 years of experience operating excavators in a mine setting
- Valid driver's license
- Prior experience in an industrial or a mining setting is an asset
- Heavy Equipment Operator Training or pertinent experience is an asset
- Ontario Surface Common Core Training is an asset

### **LOCATION**

- This position will be based in Geraldton, Ontario.

## HOW TO APPLY

To submit your resume please visit [www.greenstonegoldmines.com/careers](http://www.greenstonegoldmines.com/careers).

We thank all candidates for their applications, however, only those selected for an interview will be contacted.

Greenstone Gold Mines is committed to inclusiveness, equity, and accessibility. We encourage all qualified candidates to apply. Accommodations are available on request for candidates taking part in all aspects of the selection process.

GGM is committed to ensuring the health and safety of all workers in the workplace and recognizes that COVID-19 vaccination has been shown to be very effective in reducing COVID-19 virus transmission and protecting most vaccinated individuals from severe consequences of COVID-19. Being vaccinated will help protect our workforce and our local Indigenous and community partners. In that respect, Greenstone Mine has implemented a mandatory COVID-19 vaccination.
