

## JANITORIAL MAINTENANCE TECHNICIAN

### WHO ARE WE?

We've been serving Canadian clients for over 75 years. The companies that began independently and now form Dexterra Group have an outstanding record of supporting the infrastructure and built assets that play a vital role in our society and helping our clients achieve higher performance and productivity. Powered by passionate people, we bring the right teams with the right skills together – offering both experience and regional expertise so companies can operate their day to day, confidently and successfully.

### WHAT'S THE JOB?

The Janitorial Maintenance Technician role requires the cleaning and sanitization of site common areas to maintain an orderly and safe working environment. The job scope and maintenance team will expand as site construction progresses and the mine moves into the operations phase.

Key responsibilities include but are not limited to:

- Conformity to site and job specific safety standards and requirements
- Empty trash containers and dispose of collected debris in designated locations
- Preparation of cleaning solutions and clean all surfaces throughout the site
- Cleaning and restocking of restrooms
- Sweeping and mopping of floors
- Touch point sanitization

### WHO ARE WE LOOKING FOR?

- Candidate **must** reside in the Greenstone area (note this is **not** a rotational position and **does not include accommodations at site**)
- You are a motivated self-starter with an eye for detail with the ability to work alone and as part of a team
- Valid G Class driver's license with clean abstract is strong asset
- Must have reliable transportation to and from site daily for scheduled shifts
- Previous janitorial or housekeeping experience an asset, but not required
- Dedicated to job safety and quality standards
- Familiar with basic technology use (email, accessing online training, etc.)
- Ability to handle the following physical demands:
  - Lift, carry, push, or pull up to 40 lbs
  - Climb ladders or stairs
  - Stand, walk, squat, kneel or sit according to task for extended lengths of time
  - Perform repetitive hand work requiring full use of both hands
  - Perform work with arms at full length
  - Work with arms above shoulder height
