PRIVACY NOTICE

MORE HALL FLY FISHING CLUB (MFFC) is a non-profit making voluntary association of persons interested in fly fishing and by subscription enables members to fly fish at the More Hall Reservoir which is currently leased to MFFC by Yorkshire Water.

The MFFC Constitution, which is issued to all members on joining and when from time to time it is updated, sets out the Club rules and governance process.

In accord with the Data Protection Act 2018 (DPA) which came into force in May 2018, the Officers and Committee are committed to ensuring that the privacy of each of the members is protected, respecting, and keeping safe the personal information provided by individual members on their self-completion application/renewal form.

This gives the contact details for More Hall Fly Fishing Club as data controller.

In applying for MFFC membership or renewal you are consenting to MFFC processing and holding your personal details as provided for the purposes as stated.

The purpose for collecting personal details is for internal record keeping and administration of your membership. This includes or similar:

- the issue of the current season's private fishing permit which will contain a scan of a passport sized photograph provided by you on joining the Club.
- such contact relating to the Club's affairs as and when required.
- in the rare event of any essential information advised to the Hon. Secretary by Yorkshire Water, such as access to the reservoir, health, and safety matters or similar.
- such contact may be by post or by email where such optional information is provided

The only personal information held is that provided by each individual member on membership application/renewal.

No information is collected from any other source nor held on record. Save for the recording of the date of payment of the subscription by the member, no bank details are held, whether paid by cheque or bank transfer for which a remittance is forwarded.

No personal data will be shared with third parties.

MFFC is committed to ensuring the personal details you have provided on the application/ or renewal form are held securely and have in place suitable physical, electronic and admin procedures to safeguard the information you provide in writing or by email.

MFFC cannot be held responsible for any breaches of your privacy arising from any other sources, be they written or electronic.

If your membership ceases for any reason (including resignation, failure to make payment, incapacity, death) your records will be retained for a period of up to 2 years solely for accounting and auditing purposes. They will not be used for processing or contact.

Under the Data Protection Act 2018 you have the right to ask for a copy of your details held, the right to amend these and/or correct any inaccuracies, the right to object and/or make a complaint and the right to withdraw consent.

On any of these counts or if you have any queries, you should in the first instance email:
secretary@morehallflyfishing.club
