Acknowledgements**I have read and understand the following:**

- I have read and understood the hire contract and ID terms
- I have been offered a copy of the contract for my own reference and also the contract is available on the www.best2hire.com.au website
- I understand that the equipment must be operated in accordance with safety procedures on the website. When removing lead paint refer to the Australian Government guidelines <https://www.best2hire.com.au/detail-information-1.html>. It is prudent to consult neighbours before commencing work
- I understand that I am responsible for full replacement cost in the event of damage or loss and it will be charged to my credit card or remain outstanding until paid
- Personal information is collected for the use of Best2Hire only and is kept in a secure data base. Privacy & security is of paramount importance and assessed at regular intervals

***Remember clean up the filter in the vacuum cleaner after use **every day** to ensure the filter is working properly.

Do not use water on any of the filters.

The vacuum will have a power cord inside the canister for your ease of use. Remove and use before turning on vacuum.

The Paintshaver will give the best shave moving it from right to left.***
