\*\*\*Attach a typed statement and include the following: (MANDATORY)\*\*\*

1. Why do you think you are the best qualified candidate to receive this internship? (Include future goals and career plans)

2. Why are you choosing engineering as your field of study?

3. What are your team building skills?

4. You and Jason Bourne are dropped from a C-130 in the middle of remote Kenya on a top secret mission. You find shelter in a local village where most of the villagers are sick. You and Jason think it is accredited to a water problem. While Jason is busy fighting off local warlords, you must fix the water. What is your approach to verify that it is a water problem and how do you fix it?
