January 2026

Dear Parents,

We hope you had a restful, enjoyable holiday. During our winter theme, we will be learning about the process of hibernation and migration. The letters of the month are Hh, Ii, Ss and Mm. We will be reading *The Mitten*, by Jan Brett and some classic nursery rhymes such as *The Three Little Kittens*, *Little Miss Muffet* and *the Eency Weency Spider*.

Just a quick reminder: If your child comes to school wearing boots, please also send a pair of shoes or sneakers. This will ensure ease of movement during our indoor activities. If the weather permits, we will have 15-20 minutes of outdoor play. Please send your child to school with full snow gear on those days.

Important date to remember:

- *January 5th - 4-year-old class resumes
- *January 6th - 3-year-old class resumes
- *January 19th - Martin Luther King Jr. Day (no school)

We are looking forward to having another exciting month of learning and discovery at preschool. From all of us at Rise and Shine, wishing you a very healthy and happy new year!

Sincerely,

Darlene Switala
