AUGUST 2024 ISSUE

President's Message

Grandparents Week

I hope some of you were able to celebrate grandparent's week with your grandchildren. This one was the best we have had so far. That water slide behind the lodge on July 26 sure looked inviting. Perhaps next year we can schedule a tour of Winchester with grandchildren as one of our trips

Exploring the Northern Neck

Please read Doc Holladay's report of this great trip. I'm sorry Michelle and I could not finish it. She is recovering well and should be on the wine pairing trip August 5. Thanks again to Doc and Gary McDowell for picking up the ball on this one.

Richmond Trip

Our founding president, Judy Bogner, sent us information on a trip to Richmond that is being sponsored by the Frederick County Parks and Recreation for newcomers to the area. Check out the announcement in the June newsletter. You can find it on our website <https://LakeFrederickTravelClub.com/>.

Schedule of Trips Updated

Please check our Trip Ideas and Deadlines V11 and review the trip announcements in this newsletter for the latest information. We added and deleted some of our trips and those of Shenandoah Travel. We dropped the August Air Show and added a second Loudoun County Wine Tour. In September we have a Trail Ride and Brewery Lunch, as well as our ever-popular Gettysburg Battlefield Tour with Sam and Rick. Looking ahead to December, Chris Oxford arranged, and will lead, a Holiday Tea at Rosemont Manor. And it's not too early to think about sponsoring wreaths for the Winchester National Cemetery.

Foreign Travel 2025

Check out the cruises and land tours that Greg Payonk has scheduled for 2025 and contact him if you need more information.

Planning for 2025

Dan Mortland will lead a discussion of trip ideas for 2025 at our August Luncheon. Doc Holladay and Bill Johnson are already talking about a trip to Ireland in Spring 2025. Bring your ideas or send them to me if you can't make the meeting.

Pot Luck Lunch Meeting, August 12

I hope to see you around our wonderful campus and at our potluck lunch meeting in Rachel's Kitchen on August 12 at 11:30 a.m. Bring your favorite dish to share. I will have copies of the new membership form that Chris Oxford, our membership chair, designed for new members, and some travel catalogs. Also check out our new website. Pam Toliver has been hard at work. Thanks for supporting our club!

Exploring the Northern Neck of Virginia By Doc Holaday

July 9-11, 2024

Lake Frederick Travel Club members braved July's sweltering heat to visit the Northern Neck of Virginia, and to enjoy a stay at The Tides Inn. We left the Lodge early by bus on Tuesday the 9th, stopped for a McDonald's breakfast, and then drove on to visit George Washington's boyhood home at Ferry Farm. George was the oldest son of Mary Washington, his father Augustine's second wife. When his father died, Mary did not remarry, so that George would inherit the Ferry Farm plantation. Despite their relatively modest means Mary did her best to ensure that George was reared as a gentleman. Mary Washington University in Fredericksburg is named in her honor.

Ferry Farm

Wilkinson's Restaurant

From Ferry Farm we drove to Wilkinson's Seafood Restaurant on the Potomac, where Michelle Darnell fell, getting up a high step outside and was injured. She was treated on site by paramedics and she and George decided to return home for further medical care. (She is healing well.)

After a great lunch at Wilkinson's, we visited Stratford Hall, which was home to four generations of the Lee family, including two signers of the Declaration of Independence and Robert E. Lee, of Civil War fame. Our last stop was a wine tasting at the Ingleside Winery before proceeding to The Tides Inn in Irvington, VA, for dinner and a relaxing evening.

After an early breakfast, the club headed for historic Christ Church and museum in Lancaster County, just north of Irvington. We next visited Irvington's Steamboat Era Museum.

Christ Church, Irvington, Virginia

We had the very warm afternoon off to enjoy the amenities of The Tides Inn, including a swimming pool, a sandy beach area, and numerous walking trails along the water.

Nice Views from The Tides Inn

On Thursday, after another early breakfast, we boarded the bus for Reedville to catch the ferry for the bumpy, 90-minute cruise to Tangier Island. Once a bustling fishing island, Tangier has declined to the point that there are only about 340 people living on the island. Its residents still proudly boast of their high school, that graduated three seniors this year, their own post office, an airport, a volunteer fire department, a few small restaurants, and a single grocery store. Since it is a “dry” island, with no alcohol sales allowed, there’s no real need for a police force.

Our ride to the island and the welcome sign arriving at Tangier Island

We made one last stop on the way home in Tappahannock to dine at the 1710 Tavern. The tavern was recently restored, and the new owner has preserved much of the original historical structure. And yes, George Washington ate there.

Enjoying a great dinner at the 1710 Tavern in Tappahannock, Virginia

All in all, and despite the heat, another fun trip for the Lake Frederick Travel Club!

About Backroom Brewery

- *One of the oldest and closest breweries in the valley, they began as a herb farm, growing culinary and medicinal herbs for the garden center trade. In the fall of 2012, they built their hops field. After all, hops are the herbs that flavor beer. By 2013 they were brewing.*
