

NPM have no legal right to issue a single PCN to anyone parked at Gym Eastbourne, 4 Birch Close, BN23 6PE.

NPM Installed signage in our car park but the signs were removed by myself personally within 24 hours of the install. This was due to the fact we had not yet received permission from our landlord which is a one of the terms of our lease. NPM were actually the ones to bring this to our attention via email on 04/04/2025.

I can confirm that there was absolutely no visible signage in the car park on the date outlined on every single PCN issued by NPM. NPM are fully aware of this so any continued attempt to harass members must be deemed as fraud.

If NPM wish to escalate this matter at a small claims hearing, I will be attending court for every single victim of this fraudulent company.
