

## Military and Academy Patch Quilts

As your Midshipman/Cadet or Military member progresses through their Military career, they will be assigned new patches to wear each time with each new assignment, Company, Platoon, or Squadron. Don't let these patches hide in some drawer, display them proudly! These quilts are made to fit perfectly on the Midshipman or Cadet's bunk, and yet fold compactly to fit into their drawer for Sami's ( Surprise inspections). The quilts are made of the highest quality cotton and "Warm and Natural" batting (which is warm, yet lightweight and non-bulky.) High quality fabric holds its vibrant colors much longer than cheaper fabrics, as well is much softer. The Air Force fabric is my own (and only) fully licensed Air Force fabric.

Please fill out the form below and return or mail to me ( Marni Kelsey 110 Olympic Circle, Vacaville, CA 95687) with the check and any additional patches that you would like me to sew on. I include the Center Patch (please choose which one you want) and the Name Tape. \$400 plus shipping. ( I keep a scrapbook of all the photos for each Midshipman/Cadet and their wonderful smiles as they are presented their quilt. ) Additionally, I have now have created new custom Center patches with the USNA Logo, N\*, and the AF. You can also order the normal US Navy center patch or the Wings. These are included in the price. I can also add custom sports and activity patches for you. ( see photo). As each quilt is custom, I can also combine multiple branches into the same quilt. Most quilts take 6-8 weeks to make, or sooner (depending on my husband's condition and quantities of orders).
