

Our wigs are gently used for social media modeling purposes or were purchased new from trusted wig vendors or wig sisters. I've done my best to show each style and color as accurately as possible, but please note that colors may appear differently in person depending on lighting and screens.

Each wig will be carefully packaged and shipped in a protective poly bubble mailer. Shipping is available within the United States only, with a \$5 shipping fee per wig added to the purchase price. If you'd like to purchase a wig, simply scroll down to "I Want to Purchase This Wig" and send us an email. Someone from our team will reach out via email with availability, payment instructions and next steps.

Please note: ** All sales are final. We're unable to offer refunds or exchanges. **

We accept **Venmo** for payment.
