

## 2026 SMVR Young Guns Junior Fan Club

### Presented by the Show Me Vintage Racing Series

Welcome to the Show Me Vintage Racing Series (SMVR) Young Guns Junior Fan Club! This program gives young fans an up-close look at the excitement and history of vintage dirt track racing. Through teamwork, education, and hands-on experience, our Young Gun members learn the values of safety, sportsmanship, and integrity—ensuring that the legacy of vintage racing continues for generations to come.

The purpose of the SMVR Young Guns program is to inspire and educate the next generation of racers. By connecting kids with real SMVR drivers and their crews, the program teaches respect for the sport, emphasizes safety, and promotes learning through experience. Our goal is to preserve the craftsmanship and camaraderie that define vintage racing while passing the torch to tomorrow's racing family.

Every SMVR driver is a mentor! Drivers serve as role models, teachers, and ambassadors for vintage racing. Each time you welcome a Young Gun into your pit, tell them stories, explain your car, or let them help with a safe task, you're shaping the future of this sport.

#### Ways SMVR Drivers Can Mentor a Young Gun:

- Greet and welcome them into your pit
- Let them watch you change a gear
- Teach them to check tire pressure and read a gauge
- Take a photo with them
- Let them scrape or spray mud off (safely!)
- Show them how to clean your helmet or add tear-offs
- Let them watch you change a tire or hand you a wrench
- Teach them SMVR's rules and sportsmanship
- Encourage them to cheer for all drivers and show respect the pits
- Sponsor a Young Gun for the season

**Important Reminder:** Each Young Gun has a "Pit Challenge Checklist" in their very own Pit Bag. If they complete a challenge on their list while visiting your pit, please initial it on their checklist.

👉 Do not initial tasks unless they were truly completed. This program is about teaching our youth honesty, integrity, and work ethic—values that make great racers and great people.
