FOOD TRUCK MENU EXPERIENCE MENU SAMPLES

To provide our food truck service, we utilize mobile kitchen units sourced from our parent company, Bright Side Services.

While you might come across our trailers at festivals and private gatherings, it's important to note that we differ from the traditional food truck services. Opting for our mobile kitchen for your event truly offers a unique experience. We curate specialized menus based on our catering offerings, enhancing the overall service at your event.

MINIMUM ORDER

A minimum food purchase of \$2,000 is required for our food truck services.

YOU CAN CREATE YOUR MENU OR USE ONE OF THE MENU SAMPLES

We're thrilled to offer you the opportunity to craft a menu tailored to your preferences from our diverse catering selections. While we'll certainly provide guidance to ensure your menu aligns seamlessly with your party's theme, we want to emphasize that you'll have ample creative freedom in the menu creation process.

We've also curated a collection of menu samples inspired by the lively and delicious food truck window service style that you can select and combine to create your food truck experience. These options are designed to bring a delightful and flavorful touch to any type of event you have in mind. Feel free to explore these samples and select and make combinations that resonates with your event's vibe and preferences.

STAFFING FEE

We are all about flexibility to suit your preferences! We present you with two distinct options for staff and service to cater to your specific event requirements:

1. Food Truck Window Service Style: This option involves only the essential culinary staff needed to serve your guests. Your guests will simply approach the window to pick up their delightful food. It's a streamlined approach that ensures efficient service while keeping things hassle-free.
2. Food Truck and Full Staff Service: Picture this: our capable staff starts by circulating with delectable appetizers, followed by your guests making their way to the food truck to select their entrée. Subsequently, our team handles the post-event cleanup and breakdown of the event space, ensuring a seamless conclusion to your gathering. This comprehensive service is designed to provide you with utmost convenience and a stress-free experience.

For both of these options, an hourly rate staffing fee will be incorporated into your invoice. This fee is determined based on the specific timeline and details of your event. Our primary aim is to accommodate your preferences and tailor our services precisely to your needs.

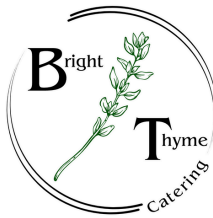

We are committed to delivering exceptional service and culinary delights that align with your vision and event goals.

Per person price does not include taxes. All card payments are subject to a 3.5% processing fee.

The prices reflected on this menu may differ from the current pricing. Bright Thyme Catering reserves the right to update product pricing. You will receive an invoice before paying your final bill.
