Include any or all of the above here and we will let you know if we are able to accommodate them. Please note some selections will require a separate appointment. We will base your quote on what you mark.

Cleaning Estimate:

Today's Date:

A 50% deposit is required to secure a cleaning spot, the remainder is due at job completion.

Terms & Conditions: Estimates are an educated guess for time/labor to clean what is marked on this checklist. Any items unchecked will not be included. If you add anything after the estimate is provided, it will change the price. Due to this being a virtual estimate and not seeing the condition of the home in-person, you will receive a price range instead of an exact price estimate. If you decide to secure a cleaning spot, the 50% deposit will be calculated from the middle of the price range given. The balance is due upon job completion(by 11:59pm). A late fee will be charged for late payments. We accept Visa, Mastercard, checks, cash, Paypal and Cash App.
