

# Are you ready to enroll in Medicare?

**We can enroll you in a plan over the phone or computer, from the comfort of your own home, and without increasing your risk of exposure.**

Don't let this virus keep you from getting the coverage you need. Get the expertise of a LOCAL, licensed, independent agent to guide you through the Medicare enrollment process and who will be there to answer questions and help you for years to come.

Many plans will waive co-pays for diagnostic testing related to COVID-19, offer wider coverage and no co-pays for telemedicine visits, waive or reduce charges for home delivery of prescriptions, and have prepared and trained the clinicians servicing your plan to meet the needs of patients affected by COVID-19.

**Give us a call. We look forward to working with you.**
