THE BOSTON BIKE COMPANY CORPORATION

CONVERTIBLE PROMISSORY NOTE

FOR VALUE RECEIVED, THE BOSTON BIKE COMPANY CORPORATION, a Delaware corporation (the “*Company*”), promises to pay to the order of the noteholder set forth on the signature page attached hereto (the “*Holder*”), or its registered assigns, the principal amount set forth on the signature page attached hereto, or such lesser amount as shall equal the outstanding principal amount hereof, together with simple interest from the date of this Convertible Promissory Note (this “*Note*”) on the unpaid principal balance at a rate equal to 2.0% per annum, computed on the basis of the actual number of days elapsed and a year of 365 days. Unless this Note is earlier converted in accordance with the provisions hereof, all unpaid principal, together with any then accrued but unpaid interest and any other amounts payable hereunder, shall be due and payable on the earliest to occur of (i) fifteen days following the demand of Holder, which demand may not be made earlier than twenty-four (24) months from the date of this Note (the “*Final Maturity Date*”), (ii) the occurrence of an Event of Default (as defined below), or (iii) such other time as expressly provided for in this Note (such earliest date is hereinafter referred to as “*Maturity*”).

Holder acknowledges that this Note is one of a series of Convertible Promissory Notes of like tenor (collectively, the “*Notes*”) being issued on or after May 1, 2021 by the Company to raise interim financing of up to \$100,000.00 (subject to increase by agreement of the Company and Holders of a majority of the principal amount of the then-outstanding Notes (hereinafter referred to as the “*Majority Holders*”).

The following is a statement of the rights of the Holder of this Note and the conditions to which this Note is subject, to which the Holder, by the acceptance of this Note, agrees:

Section 1. *Certain Definitions.*

1.1 “*Change of Control*” means a change in ownership or control of the Company effected through any of the following transactions, in each case excluding a bona fide financing transaction effected primarily for capital raising purposes:

(a) a merger, consolidation or other reorganization approved by the Company’s stockholders, unless securities representing more than fifty percent (50%) of the total combined voting power of the voting securities of the successor corporation or its direct or indirect parent entity are immediately thereafter beneficially owned, directly or indirectly and in substantially the same proportion, by the persons who beneficially owned the Company’s outstanding voting securities immediately prior to such transaction;

(b) a stockholder-approved sale, transfer or other disposition of all or substantially all of the Company’s assets in liquidation or dissolution of the Company;

(c) the acquisition, directly or indirectly by any person or related group of persons (other than the Company or a person that directly or indirectly controls, is controlled by, or is under common control with, the Company), of beneficial ownership (within the meaning of Rule 13d-3 of the Securities Exchange Act of 1934, as amended) of securities possessing more than fifty percent (50%) of the total combined voting power of the Company’s outstanding securities pursuant to a stock purchase transaction or a tender or exchange offer made directly to the Company’s stockholders; or

(d) the exclusive licensing of all or substantially all of the Company's intellectual property in a single transaction or series of related transactions.

1.2 **"Financing Conversion Securities"** means securities with identical rights, privileges, preferences and restrictions as the Qualified Financing Securities issued to new investors in a Qualified Financing, other than (A) the per share liquidation preference, which will be equal to (i) the Note Conversion Price at which this Note is converted, multiplied by (ii) any liquidation preference multiple granted to the Qualified Financing Securities (i.e., 1X, 2X, etc. of the purchase price), (B) the conversion price for purposes of price-based anti-dilution protection, which will equal the Note Conversion Price, and (C) the basis for any dividend accrual rights determined as a percentage of purchase price, which will be, for purposes of the Financing Conversion Securities, based on the Note Conversion Price.

1.3 **"Note Conversion Price"** means the lower of:

(a) the lowest per share purchase price paid for the Qualified Financing Securities by the investors of new money in the Qualified Financing, multiplied by 0.80; or

(b) the quotient obtained by dividing (1) the Valuation Cap (as defined below) by (2) the Company's fully-diluted capitalization immediately prior to the initial closing of the Qualified Financing (assuming, without duplication, full conversion or exercise of all outstanding convertible or exercisable securities, options and warrants, and the issuance of all shares reserved for grant pursuant to the Company's equity incentive plan, but excluding any outstanding convertible notes or other convertible securities issued for capital raising purposes) (the **"Fully-Diluted Capitalization"**). For the purposes hereof, the **"Valuation Cap"** shall mean \$1,125,000.00

1.4 **"Qualified Financing"** means the next transaction (or series of related transactions) after the date of this Note and before Maturity in which the Company issues and sells shares of its preferred stock in exchange for aggregate gross proceeds of at least \$1,000,000 (excluding amounts deemed received upon conversion of the Notes and any other indebtedness or similar convertible securities), with the principal purpose of raising capital.

1.5 **"Qualified Financing Securities"** means equity securities issued by the Company in a Qualified Financing for new cash investment.

Section 2. Interest. Accrued interest on this Note shall be payable upon Maturity of this Note.

Section 3. Prepayment. The Note may be prepaid at any time prior to the Final Maturity Date without the written consent of the Majority Holders.

Section 4. Conversion.

4.1 **Automatic Financing Conversion.** The entire outstanding principal amount of this Note, any accrued but unpaid interest and any other amounts payable under this Note shall be converted automatically into Financing Conversion Securities, or in the Company's sole discretion, Qualified Financing Securities, upon the closing of a Qualified Financing. In the event of such automatic conversion, this Note shall be converted into that number of the applicable securities determined by dividing (i) the aggregate outstanding principal amount of this Note, any accrued but unpaid interest, and any other amounts payable under this Note by (ii) the Note Conversion Price.

4.2 **Maturity Conversion.** Notwithstanding any other provision of this Note, in the event that, as of the first Final Maturity Date of any Note, the Notes have not been converted or otherwise repaid, and at the option of the Majority Holders in their sole discretion, all of the outstanding principal amount of the Notes and any accrued but unpaid interest may be converted into shares of the Company's Common Stock, or an equivalent security (the **"Maturity Conversion"**). In the event of such conversion by operation of this section, this Note shall be converted into fully paid and non-assessable shares of the Company's Common Stock, or an equivalent security, at a price per share determined by dividing (x) an amount equal to the Valuation Cap by (y) the Fully-Diluted Capitalization as of the Maturity Conversion.

4.3 **Conversion or Payment upon Change of Control.** Notwithstanding any other provision of this Note, if a Change of Control occurs prior to a Qualified Financing, then at the election of the Holder or, with respect to all Notes, the election of the Majority Holders in their sole discretion (irrespective of any individual Holder's election), either: (i) the Holder shall be paid a prepayment amount equal to all accrued and unpaid interest due on this Note as of immediately prior to such Change of Control plus 1X the then-outstanding principal amount of this Note, and the Note shall thereafter be cancelled and be of no further force or effect, whether or not delivered to the Company for cancellation, or (ii) the then-outstanding principal amount of this Note and all accrued and unpaid interest on this Note shall automatically convert as of immediately prior to such Change of Control into fully paid and non-assessable shares of the Company's Common Stock at a price per share determined by dividing (x) the Valuation Cap by (y) the Fully-Diluted Capitalization (excluding from such calculation the unused portion of any equity incentive plans) as of immediately prior to such Change of Control, without giving effect to any changes to the capitalization arising from such transaction.

4.4 **Conversion Procedure.**

(a) **Automatic Conversion.** Upon automatic conversion of this Note, the outstanding principal, any accrued but unpaid interest and any other amounts payable under this Note shall be converted automatically, without any further action by the Holder and whether or not the Note is surrendered to the Company *except that* Holder shall be required to execute such documents as required by Section 4.5. In connection with such conversion, the Company will have the right to set a reference date for the conversion of accrued interest under this Note (which shall be no more than ten (10) business days prior to the closing of the Qualified Financing), such that interest accrued through such date will be converted and interest shall be deemed to have ceased accruing as of such date.

(b) **Fractional Shares; Non-assessable; Effect of Conversion.** No fractional shares or scrip representing fractional shares shall be issued upon conversion of this Note. With respect to any fraction of a share called for upon the conversion of this Note, such fractional share shall be rounded down to the nearest whole share, and the Company shall pay to the Holder the amount of such fractional share multiplied by the applicable conversion price. The Company covenants that the shares of capital stock issuable upon the conversion of this Note will, upon conversion of this Note, be validly issued, fully paid and non-assessable and free from all taxes, liens, and charges in respect of the issue thereof. Upon conversion of this Note, the Company shall be forever released from all its obligations and liabilities under this Note.

4.5 **Further Assurances.** In connection with the conversion of this Note, by acceptance of this Note, the Holder shall be entitled to, and as a condition to the Company's delivery of any securities upon conversion thereof shall be required to, execute all applicable agreements and other documents executed by similarly situated investors in the financing in which this Note is converted, with customary representations, warranties, and transfer restrictions (including, without limitation, a 180-day lock-up agreement in connection with public offerings). In the case of a conversion into common stock, the issuance thereof shall be conditioned on Holder's execution of a stock purchase or stock restriction agreement approved by the Company's Board of Directors (the "**Board**"), which agreement shall contain a market stand-off/lock-up, and other transfer restrictions substantially equivalent to those applicable to existing holders of the Company's common stock.

Section 5. Default; Remedies.

5.1 **Default.** The Company shall be in default under this Note upon the happening of any condition or event set forth below (each, an "**Event of Default**"):

(a) the Company's failure to pay (i) when due any principal or interest payment on the due date hereunder or (ii) any other payment required under the terms of this Note on the date due, and such default shall continue unremedied for a period of 30 days following receipt of written notice signed by the Holder of such failure to pay;

(c) proceedings for the appointment of a receiver, trustee, liquidator or custodian of the Company or of all or a substantial part of the property thereof, or an involuntary case or other proceedings seeking liquidation, reorganization or other relief with respect to the Company or the debts thereof under any bankruptcy, insolvency or other similar law now or hereafter in effect shall be commenced and an order for relief entered or such proceeding shall not be dismissed or discharged within 90 days of commencement.

5.2 Remedies.

(a) Upon the occurrence or existence of any Event of Default under Section 5.1(a), the Holder of this Note may, by written notice to the Company, declare the entire outstanding principal amount of the Note, any accrued but unpaid interest and any other amounts payable thereunder, to be immediately due and payable without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived.

(b) Upon the occurrence or existence of any Event of Default described in Sections 5.1(b) or 5.1(c), immediately and without notice, the entire outstanding principal amount of the Notes, any accrued but unpaid interest and any other amounts payable under the Notes shall automatically become immediately due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived, anything contained herein to the contrary notwithstanding. In addition to the foregoing remedies, upon the occurrence or existence of any Event of Default, the Holder may exercise any other right power or remedy otherwise permitted to it by law, either by suit in equity or by action at law, or both.

Section 6. Unsecured and Subordinated. This note is unsecured. "Senior Indebtedness" shall mean, unless expressly subordinated to or made on a parity with the amounts due under this Note, all amounts due in connection with (i) indebtedness of the Company to banks or other lending institutions regularly engaged in the business of lending money (excluding venture capital, investment banking or similar institutions and their affiliates, which sometimes engage in lending activities but which are primarily engaged in investments in equity securities), and (ii) any such indebtedness or any debentures, notes or other evidence of indebtedness issued in exchange for such Senior Indebtedness, or any indebtedness arising from the satisfaction of such Senior Indebtedness by a guarantor.

Section 7. Representations and Warranties of Holder. The Holder represents and warrants each of the following:

7.1 **Accredited Investor.** Holder is an "accredited investor" within the meaning of Rule 501 of Regulation D prescribed by the Securities and Exchange Commission pursuant to the Securities Act of 1933 (the "**Securities Act**"), as such rule is presently in effect. If other than an individual, the Holder has not been organized for the specific purpose of acquiring the Notes or the securities issuable upon conversion thereof (collectively, the "**Securities**").

8.1 ***Organization, Good Standing and Qualification.*** The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. The Company has the requisite corporate power and authority to own and operate its properties and assets, to carry on its business as presently conducted, to execute and deliver the Notes, and to perform its obligations thereunder.
