Theresa, the daughter of Carmelita and Pablo Aviles, is committed to bringing you the same quality Mexican food that Carmelita's Mexican Restaurant was famous for in the Syracuse area for many years.

Carmelita's serves fresh Authentic Mexican Cuisine with the highest quality local ingredients. Our menu is comprised of home style recipes reflecting our rich Hispanic heritage.

Our menu is dedicated to be simple with daily specials, which allows me to prepare fresh daily. All of our tortillas are handmade daily. As a person who has celiac disease, I wanted to bring my flavors to the table and offer many gluten-free items.

The menu names are after my children and family. Ask a server about a name and get the family story. Crister Tinga is the talk of the menu. Please come enjoy and be happy!

If you have any special dietary needs, please let our staff know.
