

EARTH BONE

BIO:

Inspired by the greats of classic rock, blues and country their unique style is evident in their renditions of popular tunes from the 1960's through now and in their own original songs.

Members are Jerry Rowan (vocals, guitar, bass), Dave Dore (vocals, keyboard, guitar), Donnie Lee (vocals, drums) Susan Boone-Rowan (vocals, harmonica, percussion), and Denise Dore (vocals, ukulele).

In 2021 the group put out their first album *Mother Tree*. Showcasing the band's unique and diverse songwriting skills *Mother Tree* has become a favorite on various streaming sites in countries such as Australia, Germany and the UK as well as broadcast radio at home in the USA with their songs Light On, Questions, Broke a Heart and Into the Grain.

Over the years Earth Bone has become a crowd favorite at festivals and other venues in the Ozarks and surrounding areas. Recently Earth Bone has been seen at The Whiskey Festival in Bentonville, AR, Flux Festivals in Russellville, AR, The Mama JaWanna Music Festival in Harrison, AR and The Meteor Guitar Gallery in Bentonville, AR.
