About the Jerome Artists' Cooperative LLC: Our gallery was founded in 1996 to provide a much needed venue for local artists and is still owned and operated by the artists who show here. Our cooperative gallery does business democratically and to make it work best requires having motivated individuals which do their part.

The day to day business of the gallery is handled by various committees that take on everything from advertising to housekeeping. Active participation by all members in one or more committees is essential to the continued success of our gallery and a requirement.

What we are looking for: The Jerome Artists' Cooperative Gallery is currently full and there is a waiting list for prospective members who have already been juried. However, we continue to accept applications and every new application is reviewed by our Jury Committee.

If you are an artist residing in Jerome, areas of Sedona, Verde Valley, Prescott, Prescott Valley or lives within a 50 mile drive to Jerome Artists' Cooperative Gallery, you are eligible to apply for membership. Due to time commitments required by the JAC of members', applications from outside this area will not be considered.

The Jury Process: Prospective members must return this completed Membership Application and Mandatory Requirement Form with 5 high quality photographs of their work (NO slides or digital submissions, i.e., JPEG, etc.) along with a non-refundable \$10.00 application fee in check or money order (NO cash, please). Do not submit original artwork. Applications without photographs, application fee or a signed & dated Membership Application Form and Mandatory Requirements Agreement will not be considered.

No student work or manufactured items are allowed. No work is accepted that uses "blanks" (i.e. T-shirts, mugs, key chains that are mass printed on ready-made forms). All work must be of top quality and no studio "seconds".

If you need a special display for your work (i.e. jewelry case, pedestal, etc.) please ask for a copy of the floor display guidelines. If you have a display, please submit a photo of it with your application.

Here are some of the criteria used by our Jurors when reviewing artwork:

- Mastery of media
- Professional presentation
- Originality
- Different from other work already showing
- Suitable for sale

If your application is approved, the jury Committee will then notify you by mail of the next available date and time for a personal interview. Please bring original artwork ONLY when you come for this final stage of the jury process.

All applicants will be notified by mail within one month as to the Jury Committee's decision. Applicants who are not accepted may re-apply after 12 months. Accepted members will be added to the waiting lists or taken through steps of having their work introduced into the gallery. Accepted candidates who have been put on the waiting list will be selected by the needs of the cooperative.
