

IMPORTANT TRI CLE ROCK ROLL RUN CHANGES

Cleveland, Ohio | June 13, 2023 - With the recent announcement of the Cleveland Browns pre-season home game against the Washington Commanders on Friday, August 11 at 7:30 pm at the Cleveland Browns Stadium, Tri CLE Rock Roll Run has been working with the City of Cleveland, the North Coast Harbor, Cleveland Police, the Great Lakes Science Center, and all the necessary entities to adjust the Transition 1 area to accommodate the game date, road closures, fans, and most importantly our participants.

The Friday, August 11, 2023 adjustments are as follows:

Transition 1 location

Transition 1 will now be located at Great Lakes Science Center Garage's top green space. This area will have overnight security provided by Willow Security to ensure the safety of participants' bikes and any gear put in this area overnight. Tri CLE has hired extra security given the Cleveland Browns Game on Friday, August 11.

Friday Parking

Participants will NOT be able to park at or near the Great Lakes Science Center or Browns Stadium due to the Browns pre-season game on Friday, August 11. Participants are instructed to park at the Burke Lakefront Airport parking lot from 10:00 am until 2:00 pm, with a limit of 1-hour parking. This 1-hour parking will be strictly enforced. Parking will be at a discounted rate of \$10 per vehicle, cash only. If you enter the parking lot after 2:00 pm, you will be charged a Browns event day parking rate of \$40.

Packet pick-up

Packet pick-up will now transition to the Transition 1 area at the Great Lakes Science Center Garage's top green space so that participants do not have to drive to two locations on Friday to obtain their packet and drop off their bike. After picking up their packet and dropping off their bike, participants can make their way to Edgewater to drop off their run gear in Transition 2, should they choose to do so. Packet pick-up is MANDATORY on Friday, August 11.

Transition 1 bike drop off Friday night

Bike drop-off is MANDATORY on Friday, August 11 from 11:00 am to 5:30 pm at the Great Lakes Science Center Garage's top green space. Tri CLE will allow someone other than the participant to pick up the packet and drop off the bike in Transition 1 on Friday, August 11.

There will be no packet pick-up or bike drop-off on race day, Saturday, August 12.

IMPORTANT TRI CLE ROCK ROLL RUN CHANGES (continued)

Given the changes to the Transition 1 location, Tri CLE has updated the following course maps

- Transition 1
- Swim start/swim exit
- Duathlon start, finish, and start time
- Bike courses (minor changes due to the new Transition 1 layout)
- Transition 2
- Run course (minor changes due to the new transition layouts)

These changes will be reflected in the [course maps](#) section of the website. Which is currently being updated.

Tri CLE Rock Roll Run is thankful for the Great Lakes Science Center's willingness to accommodate the space that is needed for Tri CLE on Friday, August 11, and on race day, Saturday, August 12. We appreciate their support and understanding of building community and the continuation of the race taking place.

The Tri CLE team appreciates your understanding as our goals are to put on a safe race and give participants a great overall experience.

Specific questions regarding concerns over these changes should be directed to our Customer Service email at customerservice@rockrollrun.com
