Indoor Triathlon | April 9, 2022

Everyone had fun!

We are thankful for the opportunity that the youth had to participate in this indoor triathlon!

It gave them a chance to understand how to swim-transition-bike-transition-run!

Thank you to our coaches for the support & guidance to get them to this fun event & to the Parker Hannifin Downtown YMCA for their generous support of our program!

Stay tuned for upcoming triathlon events that the youth will be participating in during 2022!
