Our care package

- There is a voluntary care-package fee of £2.25 - £3.75 per session, depending on whether your child is toilet trained. This contribution helps cover the cost of consumables used throughout the day, including nutritional snacks, wipes, nappies, nappy-rash creams, woodland-learning resources and special celebrations.
- All children will have full access to the EYFS (Early Years Foundation Stage) curriculum even if you choose to opt out of the care package. However, the provision offered will be more

standardised and may not include the additional enrichment activities and enhanced resources provided as part of the care package.

- Families who choose to opt out of our care package must follow all procedures outlined in our care-package policy. This includes providing the required items from home and meeting all health, safety and hygiene expectations. Families must also supply a healthy, prepared snack in line with the government-approved list to ensure consistency and compliance across the setting.

Government funded hours

- If you would like clarification on when your child will become eligible for funding, you can check via this link <https://www.eastsussex.gov.uk/children-families/childcare/funding/apply>
- If you are a working family, you might be eligible for 30 hours funding, you can check via this link <https://www.gov.uk/free-childcare-if-working/check-youre-eligible>
- There are three types of funding that you might be eligible for:
 - 15 Hours funding for eligible children aged two and above:** The government offers funded childcare for families who need additional support, have a low income or foster children. Eligibility may apply if you receive certain government benefits, if you have a disability, or if you have recently moved to the UK and are unable to access public funds. You can apply through ESCC via this link <https://eyeeonline.eastsussex.gov.uk/Synergy/Enquiries/Citizen/EarlyYears.aspx>
 - 15 Hours ‘Universal’ funding for all children aged three and above:** All families are entitled to 15 hours of ‘Universal’ government-funded childcare each week when their child is aged three or four. This entitlement continues until they start school. You simply need to register with our pre-school, and we will claim the funding on your behalf. Please note that children can access this funding the term after they turn three.
 - 30 Hours ‘Extended’ funding for eligible two, three and four year olds:** Working parents may be able to access 30 hours of government-funded childcare each week when their child is aged two, three or four. To qualify, each adult in the household must be working at least 16 hours per week, earning at least the minimum wage, and no one in the home can earn more than £100,000 per year. Single-parent families must follow the same eligibility criteria. If you think you might qualify, you will need to apply for, and maintain a

valid funding code through this link <https://www.gov.uk/free-childcare-if-working/check-youre-eligible>

- Each Early Years settings have the flexibility in how funded hours are delivered. Please refer to the tables above for how we structure ours, but typically our sessions (doors open) run as follows:
 - **Early Bird Club:** 8:00am - 9:00am
 - **Normal Pre-School Hours:** 9:00am - 3:00pm
 - **After School Club:** 3:00am - 5:00pm
- You will be responsible to pay for your invoice if you have not confirmed your eligibility for the funded hours you have booked, and the government has not yet confirmed your entitlement through your government gateway.
- For funded children, any hours booked beyond the maximum 15 or 30 funded hours will be charged at the current hourly rate. In addition, ad-hoc sessions are charged as private hours, as EYEE funding does not cover these sessions.

What we need from you to access funding

- Once you have registered with our setting and your child becomes eligible for funded hours, we will provide you with an ESCC Parental Declaration Form to complete. Please return this form promptly so that we can submit the funding claim on your behalf. All information must be accurate and fully completed, including your **National Insurance number and the parent's date of birth**.
- ESCC requires an identification number from either your child's **Birth Certificate or Passport** as proof of age, which we are obliged to document this on your funding form. Please bring your child's original identification document (birth certificate/passport) with you when you return the form so we can make a note of the number (as part of our GDPR compliance, we only record the ID number from this document). If needed, copies of birth certificates can be obtained from <https://www.gov.uk/browse/births-deaths-marriages>.
- You may be eligible to claim Early Years Pupil Premium (EYPP). This is additional funding for early years settings to improve the education they provide for disadvantaged 3 and 4 year-olds including, but not restricted to, those adopted from care. In order to check your availability for EYPP, please fill out the **EYPP section of the form, including your NI no & DOB and /or DLA details**.
- Funded hours start on a Monday morning of each week. If the pre-school must close unexpectedly, your ESCC funded hours will apply in the same manner as any other week.
- Non-funded children will be charged for all hours booked as part of our agreement.

Increasing your child's sessions

- Please submit all requests to change your child's hours in writing by emailing office@rotherfieldpre-school.co.uk.

- If your child receives funded hours, any additional hours requested during a funding period will be charged at our current 'Private Fees' hourly rates or until the start of the next funding period. You may claim up to 15 'Universal' funded hours or 30 'Extended' funded hours per week with Rotherfield Village Pre-School.
- If you are eligible for 30 funded hours and wish to split these between Rotherfield Village Pre-School and another childcare provider, the Universal Funded Hours must be claimed with us, while the Extended Funded Hours should be claimed with the other setting.
- If your child is not receiving funded hours, you may request an increase to your child's sessions at any time during the term, subject to availability and staffing ratios.

Term dates and inset days

- For our term dates, please visit our website or speak to our manager. We observe five INSET days each year, in line with Rotherfield Primary School and the standard national bank holidays. You will still have access to 38 weeks of childcare and funding.

Billing procedure

- Invoices for all fees will be issued around the 15th of each month.
- Fees will be payable in advance of the hours required.
- Fees are payable within 14 days.
- If full payment is not received after this time, an email or reminder through our Family app will be issued stating that payment is due immediately. If payment is not received within 7 days from the date of the reminder, a £25.00 late fee will be applied to your account and your child's place at our pre-school may be at risk.
- Please note that the hours booked at the start of term will be chargeable as we staff per term. Any absent days through sickness or holidays are also chargeable. Please also note that due to staffing we cannot swap days and that any change in your normal sessions will be chargeable.
- Any additional hours provided during the term will be invoiced at our hourly rate and payable within 14 days.
- Fees can be paid by Bank Transfer or via the Government tax-free childcare scheme <https://www.gov.uk/tax-free-childcare>. Please note that due to significantly increased bank charges, we can no longer accept cash or cheques as forms of payment.
- Our staffing ratios are planned according to the sessions booked before the start of each term. If your child is absent for any reason, you will still be responsible for paying for the hours booked prior to the start of the term.
- If you leave our setting, we require a 6 week written notice. This must be open payable weeks and doesn't include holidays when we are closed.
- For new starters, please note that we staff on a termly basis in advance. We require six weeks' written notice if you wish to delay your child's start date. If the six week notice period is not met,

an invoice will be issued from the date you have requested, and you will be responsible for paying for the hours specified. We only allow families to delay their child's start date once, as we plan staffing in advance and often have a waiting list of children ready to begin.

Difficulties with Payments

- If you are experiencing difficulties paying your invoice, please speak to the office as soon as possible so that a payment plan can be agreed and put in place. A plan will outline a set weekly or monthly amount to be paid over an agreed period. Our preferred payment method for payment plans is a standing order, arranged for a regular monthly date.

Late Collections

- We have introduced a late-collection fee as we occasionally have children who are regularly picked up after the end of the session. At the 3pm collection time, safeguarding requirements mean that two members of staff must remain with the child or children. To cover the cost of staff staying beyond their contracted hours, a fee of £25.00 will be charged for each late collection. This will be applied when children are collected after 3:10pm and will be added to your invoice.
- For late collections during sessions that finish at 12:00pm or 1:00pm, an additional fee of £25.00 will be charged for any collection more than 10 minutes after the session ends. This is because staff are unable to leave on time, and ratios must be maintained until all children have been collected.
- We do appreciate that situations beyond your control can occasionally arise, and in these circumstances we will review any charges on a case-by-case basis.
- Please telephone us as soon as you think you may be late so that we can prepare your child for your late arrival.

Unexpected Closure

- Private and funded hours begin on Monday morning each week. If the pre-school has to close unexpectedly, your private and funded hours will be applied in the same way as any other week, unless we have availability to offer an alternative day for that week.
- Families will not be charged for closures due to exceptional circumstances where the pre-school remains closed for a continuous period of 3 days or longer. Please see our Unexpected Closure Policy.

Additional Information

- In cases of long-term childhood illness, where a child is absent for an extended period, the pre-school will determine on a case-by-case basis whether fees are due.

- Please note that staffing levels are planned in advance based on the sessions booked for each term. If your child is absent for any reason, you will still be responsible for paying for the hours you booked before the start of the term.
- We continually review our fee structure to ensure we can meet rising operational costs. We reserve the right to implement incremental fee increases when necessary. Any changes will be communicated with the appropriate notice period, in line with our policy.
