

The 82nd Annual Reunion Dinner of the NESCOE Association

The 360 Association will again be supporting this year's Reunion with the following activities and services:

- Special overnight rates for accommodation at the Vermont Hotel in Newcastle.
- Transport to the Reunion venue from the Hotel.
- A programme of talks and a visit to the biomass power station at Lynmouth and the Offshore Renewable Energy Catapult at Blyth.

If you are interested in receiving further details of any of these, please get in touch with us.

Last year, there was a heavy demand for hotel rooms, so an early notification of your requirements would be advisable.

We all look forward to meeting old friends and colleagues in April.

Warmest regards
