

# Ch135/H4885 *Claims* to be a Bill to Reduce Crime

[www.goal.org/gunban](http://www.goal.org/gunban)

## How this Bill affects **EVERYONE**:

- New **RED FLAG** process allows for false accusations (against **ALL** citizens) without means or accountability of facts
- Sets precedent for creating laws in secrecy, during informal sessions, and rushing to vote without public input
- Establishes legal precedent for seizure of property, based on the creation of retroactive laws
- Pushes additional responsibility to the State Police, diluting valuable resources
- Reduces tax revenue which will impact environmental conservation programs
- Allows elevated levels of alcohol consumption while carrying a firearm, decreasing public safety

## Why should you sign this Petition?

- ✓ This would enable a ballot vote in November 2026 to *allow the people to be heard*
- ✓ Slow down and learn more about this new Bill and how it impacts you before it is placed into law
- ✓ Closed door government meetings without public review and input is NOT the Democratic process
- ✓ Let YOUR vote count – don't let misinformed career Politicians steal your voice!

## Hidden facts within the Bill:

- Bans youth/adult out of state competition shooters/hunters from entering the state without permission
- Requires citizens to register muskets/muzzle loaders (what the colonists used to secure our freedom)
- Minimal changes to consequences for committing gun crimes – continue to release criminals
- Creates new Government Tracking system for certain purchases
- Prohibits residents under 21 from using low recoil hunting and target shotguns and rifles
- Eliminates the ability for citizens to purchase guns from existing small businesses

## Actual 2022 MA Dept. of Public Health Death Data
