

Thank you for signing up for the K-Ready Rally!

K-Ready Community

Let's do this! Are you with us?

That was the final rally cry from the first **K-Ready Community** Rally yesterday morning. Thank you for signing up for this Zoom event with over 200 leaders, stakeholders, and community advocates in Central Florida.

It was a jam-packed agenda with film clips, slides, recorded messages, a panel of local experts, and a special guest speaker -- CEO of the FL Children's Movement, FL Representative Vance Aloupis.

We heard from the film and our speakers that we must make childcare and early learning a priority and rebuild a better system -- for a faster recovery, a stronger economy, a more skilled workforce, and a more just society!

The most important take-away was the PLAN OF ACTION with the **K-Ready Community** Project and the K-Ready Alliance. You will hear more very soon. Stay tuned, and spread the word.
