

# K-Ready Community

For Our Kids, For Our Families, For Our Future

## DON'T MISS OUR NEXT TOWN HALL

March 8th, 6:00 p.m.

At the next in our series of town halls about the importance of the first 2000 days of a child's life, we will be talking about the **Impact of COVID-19 on Women**.

Participants will learn about how COVID 19 has disproportionately impacted women, especially working mothers. Hear from speakers about what employers can do to support working moms, how access to quality child care is essential to women's ability to work, and how this issue impacts our community's overall economic health.

We hope you can join the event host, Tanisha Nunn Gary, President of the African-American Chamber of Commerce of Central Florida and moderator, Vanessa Echols from WFTV for this important conversation.
