

What's Next for the K-Ready Community Project?

K-Ready Community

Ready, Set, Go! Join the K-Ready Alliance Today!

The response from our *K-Ready* Rally on July 22 was overwhelming. It is clear that the Central Florida community is ready to take action to **Become a K-Ready Community** where ALL children get a great start in life! Now, it's time to take action.

We are hitting the ground running. Over the next few months, we will be:

- Growing and engaging the *K-Ready* Alliance,
- Launching the *K-Ready* Leadership Table and Working Groups, and
- Working together to develop solutions and plans to **Become a K-Ready Community**.

We will be in touch with more details soon, but right now what we need from you is to **join the alliance and like and share our Facebook page** to help spread the word and gain support for the *K-Ready* Community Project and the growing *K-Ready* Alliance. If you have already joined the Alliance, thank you! Look for emails and social media posts to learn more about childcare and early learning in Orange County, get updates on the project, and find ways to help.

As we said at the rally, to reach our goal of **100% Kindergarten Ready by 2030**, we need all of you! There is a role for everyone and we can't wait to work with you.

Stay safe and stay tuned!
