

2020 Primary health plans

FOR INDIVIDUALS AND FAMILIES

LifeWise Health Plan of Washington

Be confident with LifeWise

Choosing a health plan is a big decision.

At LifeWise Health Plan of Washington, we want you to feel confident you're making the right choice. That's why you can only get a LifeWise Primary plan by talking with a licensed agent, also called a producer. Your producer can provide guidance to help you decide if LifeWise is a good fit for you and your family.

Take a look at our plans. Talk with a producer. Be confident you've made the right decision with LifeWise.

Is a LifeWise Primary plan right for you?

Enroll in a LifeWise Primary plan if you meet all the following criteria:

- Live in Pierce, Snohomish, or Spokane County
- Will not use a subsidy, also called an advance premium tax credit (APTC), to pay for your health plan
- Want to enroll with the help of a producer

What you get:

Access to great doctors and hospitals

All LifeWise Primary plans give you access to safe, quality care within our LifeWise Primary provider network.

Preventive care services

No cost to you.

Free 24-Hour NurseLine

Call for advice at any time.

Video or phone consultations

Consult with a doctor by phone or online video for a copay as low as \$15. (Some exceptions apply.) This benefit is ideal when you're traveling or when you want to avoid the higher costs of urgent care or an emergency room visit.

Lower copays

Select a primary care doctor and tell us about it. On most plans, you have lower copays when you see your primary care doctor.

Cost savings for generic prescription drugs

Take advantage of no deductible and low copays for preferred generic drugs on most plans.

Online pharmacy tool

Find your share of prescription costs.

Find a Doctor tool

Quickly find doctors and hospitals that are in network, which means you pay less out of pocket.

10 essential health benefits

These important health benefits—like maternity and newborn care, mental health assistance, and outpatient services—ensure you have coverage for the care you need.

Get more

Special discount offers

Save on Fitbit products and other wellness devices with our member discounts.

Low-cost fitness center memberships

Get access to 9,000 fitness centers nationwide for only \$25 a month* (plus a \$25 enrollment fee and applicable taxes).

Dental plans

Oral health impacts your overall health. That's why we offer:

- Pediatric dental plans for your dependents under age 19, which are available on Washington Healthplanfinder.
- A family dental plan, which is available on Washington Healthplanfinder.

*This number is based on American Specialty Health's Active&Fit direct program information.

Get to know our plans

You can select from two types of Primary plans: gold and silver. These levels refer to the plan cost, not the quality. Your producer can tell you about the difference in costs.

When choosing the plan that's right for you, keep in mind:

- **In network:** Visits to an in-network doctor, pharmacy, hospital, or other care provider help keep your costs lower.
- **Out of network:** Care outside of your plan's network is not covered, except for emergencies.

To enroll or find out more

Talk with a producer, a licensed professional also known as an agent or broker.
