

2020 Pediatric dental plans

FOR WASHINGTON RESIDENTS UNDER AGE 19 LIVING IN SELECT COUNTIES

Good oral health is good for overall health. That's why LifeWise Health Plan of Washington has offered dental plans for more than 30 years.

Benefits

- Our dental plans include access to a broad network of dentists who work with LifeWise to help manage costs, quality, and service.
- Your child will get a range of covered services such as two visits and cleanings each year, plus x-rays if needed. Basic dental services—such as fillings and simple extractions—are covered.
- There is no waiting period for any service. Children covered under a LifeWise pediatric dental plan can get care as soon as coverage starts.

LifeWise Health Plan of Washington

Who is eligible for a LifeWise pediatric dental plan?

If your medical plan covers dependents under age 19, federal law requires you to buy a pediatric dental plan from either LifeWise or another company.

You can get a pediatric dental plan from LifeWise if you live in any of these counties:

Adams	Columbia	Island	Lincoln	Skagit	Walla Walla
Asotin	Cowlitz	Jefferson	Mason	Snohomish	Whatcom
Benton	Douglas	King	Okanogan	Spokane	Whitman
Chelan	Ferry	Kittitas	Pend Oreille	Stevens	Yakima
Clallam	Garfield	Klickitat	Pierce	Thurston	
Clark	Grant	Lewis	San Juan		

What are the costs?

Pediatric dental plans are charged separately from medical plans.

- You will pay a \$28.35 monthly rate per child for the first 3 children covered. If you have more than 3 children covered under the plan, you won't pay a monthly rate for any of the additional children.
- After the annual deductible is met, you will be responsible for paying a part of the cost of services included in the plan until you reach the out-of-pocket maximum. (This is called coinsurance.) You will have a separate deductible to meet for each child covered under the plan before coinsurance begins.
- Once you reach the out-of-pocket maximum, the plan will pay for 100 percent of covered services for the rest of the year.

What will you pay?

You'll pay less when you visit a provider within the LifeWise Dental Value network. If you receive care from an out-of-network provider, there is no limit to your out-of-pocket costs.

To find an in-network provider, use the Find a Doctor tool at lifewisewa.com.

The following costs are for January 1 through December 31, 2020.

Annual deductible (the amount you pay before the plan starts to pay)	\$65 per calendar year, per child
Out-of-pocket maximum for in-network coverage (the most you will pay for covered services if you use a contracted provider)	\$350 per calendar year, per child \$700 per calendar year, per family

Definitions

Allowed amount

The amount providers contracted with LifeWise have agreed your health plan will pay for covered services or supplies. In-network providers cannot bill you for charges above the allowed amount. Out-of-network providers may charge more than the allowed amount and you would be responsible for paying the cost.

In-network provider

Dentists and other healthcare providers who are contracted with LifeWise to provide services and supplies at negotiated rates (called allowed amounts). You usually pay less when seeing in-network providers.

Out-of-pocket maximum

The maximum amount of money you will pay for health services when you visit in-network providers. Once you've paid this amount, your plan pays 100 percent of the allowed amount for services received from in-network providers. This maximum does not apply when you visit out-of-network providers.

Out-of-network provider

Dentists and other healthcare providers who have not contracted with LifeWise and have not agreed to negotiated prices. Depending on the out-of-network provider, the services could cost you more.
