Company Introduction

We empower pharmaceutical formulation companies to source a wide range of DMF Grade Pharmaceutical raw materials at competitive rates, ensuring compliance with stringent regulatory standards through timely and consistent delivery - outpacing competitors in reliability and service.

SWAPNROOP DRUGS AND PHARMACEUTICALS is a high tech enterprise, highly competent, promptly executing, competitive DMF Grade API Manufacturer, Exporter, Supplier in Maharashtra, India, established in 2013 with the purpose of serving the emergent pharmaceutical sector in India and international market, which engaged in Pharmaceutical Active Ingredients (API's), Excipients, Neutraceuticals Pellets and Granules . We are working under the guideline of WHO GMP regulation and certification of ISO 9001:2015, providing a wide range of quality and affordable products to a large number of pharmaceutical companies, reputed private and government/semi-government organisations/ research centres as well as universities. Winning a high reputation of global customers with our good credit efficiency work, good quality and after service. The Company has been supporting several domestic and international customers with USDMF, EDMF, Canadian DMF, TDMF, KDMF, JDMF, COS, COPP, Tech Pack for API's Excipients with respect to regulatory, non-regulatory and semi-regulated markets.

VISION

Our ultimate goal aim is to provide Affordable, Latest and High Quality products which will benefit the end customer. To be best and leader in pharmaceutical, Manufacturing, distribution and supply of Pharmaceutical Products with customer friendly relationship.

MISSION

Our Mission is "To increase our product portfolio and deliver more and more products to valued customers under a single roof and hence increase the revenue of the company to plan more strongly to satisfy the needs of the market."

OUR STORY

Mr. Dulal after completing his post-graduate degree in Pharmaceutical Technology from Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, Maharashtra, India had the desire to harness the power of Technology for the world to bring about change and to improve Sourcing of Pharmaceuticals Raw materials in World. Big things are often seeded in modest beginnings, and so it was for Swapnroop too. In 2013 founded Swapnroop with Rs 40,000 from his savings, through sheer grit, determination, and perseverance, he expanded his business.
