

# LUCY MARIE NOTARO, LMSW, PC

## Providing trauma-informed, Immigration focused solutions & supports for your school and community

Our company's goal is to offer evidence-based information and supports to promote a trauma-informed and culturally competent approach in understanding and working with youth and their caregivers impacted by immigration.

### WHO WE ARE

We are a group of mental health, legal, education, and other support professionals who currently provide services to immigrant youth and their families.

We are here to help educators & other professionals working with immigrant youth. Our additional goal is to assist those impacted by immigration with their effective resettlement in the United States.

### WHY CHOOSE US

#### Extensive Industry Experience

Our professional team has vast experience working with immigrant communities.

#### Consulting Expertise

We are committed to providing comprehensive solutions that will help create a better tomorrow for everyone.

#### Individually Tailored Service Models

Our company will adapt our service approach to meet your needs.
