

Woodbridge Senior Softball Club

By Linda Pace

OPENING DAY was a smashing success. The decorations lit up the field, the Woodbridge Singers entertained the crowd and Veteran's representatives presented their colors along with the American flag. Donuts flew out from the snack shack, the snack shack crew kept us in coffee, water, soda and hot dog plates, crafters sold their wares left and right and the 4 softball games played showed the prowess of each of the players. Scores were recorded, music played, announcers provided game commentary.

Thanks to all the fans who came out to support this annual event. We hope to see you at more of our games throughout the first half of the season. Games will be played:
