

Woodbridge Senior Softball Club

By Linda Pace

THE SECOND HALF of the 2025 softball has ended. But if you missed it, the pitchers were pitching, the bats were swinging, the balls were flying, the players were running, the mitts were catching, the fans were cheering, the umpires were calling, the booth crew announcing, playing music, keeping score and working the scoreboard all while the snack shack crew doled out donuts, breakfast sandwiches, hot dogs, hamburgers and all the accoutrements. Whew! So much was going on and everyone had fun.
