## INVITATION

### FROM OUR EVENT DIRECTOR

On behalf of our entire organizing team, it is my pleasure to welcome you to the 2026 Okanagan Open Training Camp and Tournament here in beautiful Kelowna, British Columbia.

This event has been built with a clear purpose: to provide athletes, coaches, and officials with a high-quality, meaningful experience that supports long-term development in our sport. Whether you are attending the training camp, competing on the tatami, pursuing certification as an official or coach, or supporting your young athletes from the sidelines, you are an important part of what makes this event special.

We have assembled an outstanding group of coaches who bring international experience, technical excellence, and a shared commitment to athlete growth. Our goal is to create an environment where athletes can challenge themselves, learn, and perform at their best, while also building connections within the karate community.

The Okanagan Open is more than just a camp and competition. It is an opportunity to come together, share knowledge, and continue raising the standard of karate in Canada.

Thank you for being here, for your commitment to the sport, and for contributing to the positive, respectful, and high-performance environment we strive to create. I look forward to seeing you all on the tatami.

Rodney Hobson  
Event Director

### FROM OUR EVENT COORDINATOR

On behalf of the Rodney Hobson Karate Club and its partners, you are cordially invited to the 1st Annual Okanagan Open Camp and Competition. This comprehensive karate experience is sanctioned by Karate BC and welcomes all karate practitioners to participate whether you are from beyond the boundaries of the Okanagan Valley, the province of BC, or of Canada itself. The tournament, specifically, is an opportunity for karate students to showcase their abilities. Athletes as young as 6 years old to athletes into older adulthood will be able to compete in a safe environment overseen by our trained and certified officials. Coaches are encouraged to have completed NCCP requirements. For those interested, both a Coach Certification and an Officials Certification session prior to the Tournament. Further, we also planned an Officials Clinic for July 4th so that those wishing to pursue an interest in officiating, can receive direct training and support from senior officials and their practical evaluation during the July 5th tournament. We hope that this unique combination of a camp for elite athletes, training and certification of officials, and a welcoming and supportive tournament for all ages and belt levels will provide you with something that will make the annual event an experience you won't want to miss.

We look forward to seeing you in July.

Scott Reid  
Event Coordinator
