Virtual Tournament FAQ

The information below is intended to answer any questions you may have on the Shintani Virtual Tournament Series in 2020/2021. If you have any additional questions, reach out to Sensei Heather Fidyk (senseiheather@calgarywadokai.com) or Sensei Darren Humphries (darren@dynamickarate.ca).

1. Why is the SWKKF running a virtual tournament?

Due to the impacts of COVID-19 many of the SWKKF events have been cancelled or postponed. Offering this Virtual Tournament Series will allow our members a chance to compete in a new format. Additionally, revenue will assist with the loss of revenue to the SWKKF.

2. How do I register for the Virtual Tournament?

Before registering for the tournament, record your Kata, Shindo Kata, Kihon/Bunkai and Kumite techniques. You upload your videos as part of the registration process.

To register for the virtual tournament, go to <https://shintaniVirtual2.myuventex.com> click on Sign Up now, accept the Terms of Use and create an account using a valid email address and create a password.

If you have already registered on the website for a previous tournament, you do not have to re-register.

3. How to register tutorial <https://uventexlabs.zendesk.com/hc/en-us/articles/115000799428-How-to-Register-for-Events>

4. What is the cost of the virtual tournament?

The virtual tournament will cost \$10 per division. You can compete in all of the events.

5. What events are being offered in the virtual tournament?

We are offering 4 events. These include: Kata, Shindo Kata, Kihon/Bunkai and Kumite divisions.

6. How does the virtual tournament work?

The virtual tournament relies on students recording themselves performing Kata, Shindo Kata, Kihon/Bunkai and Kumite. The videos are uploaded based on the divisions you register for. Once the videos are submitted and the event submissions close, judges from across the SWKKF are assigned divisions. The judges log onto the website, watch the videos in their divisions and score them, similar to the way they do a regular tournament. The scoring follows the same division ranges used in a regular SWKKF tournament.

7. How do I prepare for the virtual tournament?

Practice your Kata, Shindo Kata, Kihon/Bunkai and Kumite techniques you want to use for the virtual tournament. When you are ready, record yourself performing the techniques. There are sample Kumite videos on the <https://shintanivirtual.myuventex.com/> landing page. Use these as examples of the types of techniques you can perform. Additional information for Kihon/Bunkai and Kumite events:

- Kihon/Bunkai
