## RULE TWO

You must have on a pledge outfit at all times. If you are in a sorority room or a room that is sponsored by a sorority and/or fraternity you should be in your pledge gear.\*\* (\*\*You need to be your gear before you enter the room, not change into it once you are in the room.)

## RULE THREE

Throughout the month that you will be pledging with us you need to have the following two things on your profile: a. The pledge profile photo that you can find via Discord or IMVU Group - b. "Finding Wisdom in the Wilderness" as your tag line.

## RULE FOUR

Class is an important time in the pledge process. A lot of information will be thrown your way in anticipation of a final test. So while class is in session, you should be focused on class - same goes for any other pledgship events. We will try to make each class or event as interactive as we can. Which means you also need to be focused to participate.

## RULE FIVE

When class is in session, you should have your location on.

## RULE SIX

Tasks are a way for you to get to know the Greek Community, show your dedication to the organization and get to know your future sisters. You need to complete ALL OF THEM by the end of the pledge period to become a full member of Omicron Psi.

## RULE SEVEN

To complete the pledge line, you need to complete all task that are given out during your pledgship. We highly suggest that you lean on your mentor or fellow pledge line if you have problems that arise from the tasks.

## INTERVIEWS

Be respectful when you are asking for an interview. You should be saying something to the avail of “Hello my name is Kit [YOUR NAME], I am a pledge of Omicron Psi. Would you be able to take a moment to do an interview for one of my pledge tasks?”

Please remember that when you are doing these interviews that you are representing Omicron Psi. Additionally, please ask and perform interviews through IMVU only, instead of using social media or off-IMVU sources.

## SOCIAL MEDIA

Please remember that you are now a representative of Omicron Psi, As such Please represent our values and be wise and tasteful with posts to Social Media or IMVU Pulse.

## TITLES AND LINE NAMES

When addressing a member of another organization you should inquire about their line name and titles while introducing yourself. After receiving their line name you should only be addressing said person by their “Line Name”.

## CONDUCT TO YOUR FELLOW BEING

Working as a team is a huge part of who we are as a family and sisterhood. In this way, you need to treat your fellow beings (members, sisters, brothers, cousins, etc.) with respect and dignity. Keep professional, civil and classy when engaging in conversation of any type.

## Q: How much is Discord used vs. IMVU?

A: In general, it is about 60% / 40% - Discord is used about 60% of the time, IMVU about 40%.

## Q: Why is pledgship a month long?

A: We want to not only share the knowledge and lore of Omicron Psi, but make sure that each new member understands a little more about the Greek World, both on IMVU as well as real life. Additionally, a full month allows us to break up the schedule to accommodate additional bonding time and room for both active members and new members to gauge expectations.

## Q: If there is an issue, who do I contact?

A: Your first point of contact should be your dedicated mentor - followed by our Den Mother (and current President) #00 Soigne.

## Q: Can we go ahead and buy/wear Omicron Psi merch?

A: We would prefer that you wait until your a full member before buying merch, however we know that gifting can happen. If you receive an item that is official merch before you cross over, kindly do not wear it until your activation day.

## Q: Can I go to IMVU Greek community events as a pledge?

A: Yes! To go to events during pledgship, you must have a member with you (either your direct mentor or our Den Mother). If either of those options are unavailable, please reach out in our general gekkering channel (Discord) and we'll see if something can be arranged.

## Q: What is tested during Boot Camp days?

A: General knowledge that has been presented to you prior to that Boot Camp day. This knowledge can include (but isn't limited to): who came to speak, what is in the packet, information test on rules, spot-checks of Greek Alphabet knowledge, etc. The first boot camp will cover items in this packet.

## Q: Can a pledge participate in Skulk Sunday?

A: Yes - they can! On the edit (or photo submitted) please make sure to include your Kit name. Note: we prohibit the use of official Omicron Psi merch for these images until the member has fully crossed-over. If you would like to wear something from the sisterhood's collection, you may wear the Omicron Psi support jacket.

## What To Expect:

Mentors will cater activities for your specific bonding days to not only get to know you better, but to help you absorb the knowledge that we're asking you to learn. Our sorority mentorship is a two-way street, we work together to grow together - lifting each other. Mentors will do their best to connect with you and it is expected that you try your best to connect with them.

Ideally, you and your mentor should touch base daily (even if it is just to say "good morning") outside of any planned bonding, group activity or other event. If you have any concerns, please reach out to the Den Mother and request assistance.

The Den Mother is the designated backup for our mentors as well as general counselor for pledgeship.
