

## Cakes & Breads

*If you're looking for an excuse to have your cake and eat it, too, you've come to the right place! JR's Bakery at Fort Valley Country Store makes DELICIOUS cakes, frostings, and breads from scratch . . . never from a box.*

*We try to keep slices of cake in the customer fridge at all times, and a few loaves of bread on the counter, but they sell as fast as we can make them. We post what's available on Facebook, and you're welcome to call us to reserve either cake or bread.*

*Flavors available on any given day are subject to the whims of the bakers, but we'll gladly take special orders for whole and mini cakes. Give us at least three days notice, please. Hey, we ARE in Fort Valley, folks! It isn't easy getting ingredients to our store. Some cakes are seasonal.*
