

Devin Kravitz was a young, vibrant 22 year old and was ecstatic that he just found out he was going to be a father. Devin was energetic and healthy, working out at Bay State gym in Worcester regularly, was in the expert/pro class on the motocross circuit and getting ready to enter the Massachusetts Police Academy. **Devin died suddenly, in his sleep from Viral Myocarditis** without warning. His son Austin Devin Kravitz, was born seven months later and he talks about his dad and how he wishes he got to meet him. This race keeps Devin's memory alive not only for Austin, but for family and friends. It works to save lives. **Our dream is that no child or young adult is lost to this terrible disease.**
