

**If something were to happen to you,  
would your family know where to find all the important documents?**

**Now there's an easy way to keep track of everything and find anything...  
with the push of a button.**

Imagine having a digital record of all your important papers and accounts organized in a **secure place** where you can access them from anywhere in the world. You would have your wills, trusts, and insurance policies there. Your online accounts, login and password credentials, recurring charges, and auto pay information. Copies of deeds and titles and everything you or your family would need in an emergency.

**Introducing the My Life and Wishes® Legacy Vault™!**

**The Legacy Vault™ Includes:**

- Storage and organization of your important information
- Military-grade security (AES 256 encryption)
- Ability to add users (spouse, attorney, etc.)
- Peace of mind for you & your family

**Never worry again about:**

- Forgotten account numbers
- Login credentials
- Misplaced or disorganized paperwork
- Losing important documents in natural disasters, like fires or hurricanes
- Leaving a mess for your loved ones when you are gone
