DIFFERENTIATORS:

- ✦ **Artistic Technology Innovation:** We use proprietary technology to **customize size, color and shape** for each project. Furthermore, we will **produce companion pieces** to create a cohesive style and/or collection that is exclusive and unique. One-of-a-kind commissioned originals – at production prices.
- ✦ **In-House Artist:** Our business model is unique, because unlike other artists who want you to see the world through their eyes, **we create art that is based on your style**, color scheme, budget, preference and space.
- ✦ **Unlimited Art Selection:** In addition to our exclusive art portfolio, we can access **unlimited 3rd party licensed images and photography**, as well as **client images**.
- ✦ **Large-Scale Production:** Equipped with a **state-of-the-art facility**, we have the capability to undertake large-scale production projects while maintaining the highest levels of precision and attention to detail.
- ✦ **Mass Volume Art Factory:** Production capabilities **geared towards government**, healthcare and hospitality.
