GOLF OUTING

SPONSORSHIP OPPORTUNITIES

Oser-Roth & Friends Fest is a 501c3 dedicated to making the lives of seriously ill and developmentally disabled children better by granting their wishes. Annually on the last Saturday in July we hold a celebration to honor these children (our Angels) and present their wishes. One way we help with the cost of the event is through our annual golf outing. Our golf outing sponsorship is where we raise the bulk of the funds. We would like to invite you to be part of our event by becoming a golf outing sponsor. We have sponsorship opportunities for most budgets. Any level of sponsorship is greatly appreciated.
