

Shoot Report

Today was the debut of the new 28 target course. A lot of blood, sweat, and tears went into the preparation of the course.

The 36 archers were greeted by a piper who played everyone onto the course.

The ideal weather for shooting with very little wind and the sun shining all day.

A Funter Round was shot with "Old Course" being Hunter and the "New Course" being Field.

The shoot ended with a bang with birthday cake and sparklers.

A big you to the range marshalls and everyone who helped make the event memorable.

Looking forward to seeing you all soon!
