MARCH 2024

MARCHING ON

Then the soldiers led him into the courtyard of the palace (that is, the governor's headquarters); and they called together the whole cohort. And they clothed him in a purple cloak; and after twisting some thorns into a crown, they put it on him. And they began saluting him, "Hail, King of the Jews!" They struck his head with a reed, spat upon him, and knelt down in homage to him. After mocking him, they stripped him of the purple cloak and put his own clothes on him. Then they led him out to crucify him. (Mark 15: 16 – 20, NRSV)

This month of March will bring us the renewed season of Spring in our area, as well as many other changes as we march toward the cross of our faith – the cross of Jesus Christ. Lent continues as we journey with Jesus and the disciples closer and closer to the cross. And we will see signs of spring in the trees, and in other places and the temperatures will begin to moderate to a more comfortable feel. Yet, we should not get too comfortable in our faith journey by just going through the motions per se.

We are called to be followers of Jesus which is a very interactive relationship. We may struggle with the what's and the how's, yet we reach out to the hands that have been nailed to a cross, and still touched and healed many from their infirmities and demons. Those servant hands also washed dirty feet and prayed for dirty souls! Those hands are still working in many ways and in many places, and we too, are those hands when we serve, lift up, pause in a moment of prayer, rise up in a moment of praise to God, and so much more. It is easy to get caught up in the busyness of the season, the many preparations and plans, yet may we find time not to march on, but to pause and reflect on the sacrifice made for all of us. Many have accepted His gift, others have not even heard about it, and some have chosen to walk, or run, away from the gift, not because of the giver, but because of other more challenging reasons and sometimes fear. We have the opportunity this season to start again, that is what a resurrection can be, a chance to start over, just like a new morning, even when our bodies and souls do not feel like marching on!

I invite you to participate, as you are able, in the events of Christ's Passion and His Victory for us in the Resurrection! We head toward the cross of Christ, however, we go past that spot and into the tomb where Jesus lay, the time of uncertainty and despair for the disciples, until they get to see Jesus once more, and then again and again! We are called now to be His disciples and to be His hands and feet as we march on in this life. We are not called to withstand the "trial" Jesus went through, yet, at times, we face the same ridicule and torment He did! It is in these moments that we need to reach for His strength and peace to sometimes make it, through the moment itself.

No matter where you are in your journey, Jesus is there with you and is glad to walk or march, along with you and even at times, carry you through.

May God's blessings and Christ's love be with you always!

Christian Education News

Christian Education

Each Sunday at 9AM Terrance Field, Lisa Strohl and Greg Glovas teach our children about Jesus. We have a 15-minute opening and then the children go to their respective rooms.

Our children are not the only ones meeting every Sunday. Joe Nierer is the facilitator of our adult class which uses the Revised Common Lectionary for their lessons. As the weather continues to warm, why not come and enjoy a cup of coffee or tea as you learn more about the teaching of Jesus, the same lessons Pastor Nuscher uses for his sermons.

Since we are in the Lenten Season, each child in our Sunday school has received a Lenten Devotional to prepare for Easter. **There are also Lenten Devotionals for Adults to prepare your hearts for Easter. These are limited on a first come first serve basis.** If you have any questions, please see Beth Sikorsky

ADULT OPPORTUNITY

In the last two years we have learned about the Amish and also viewed a film series "God Is Not Dead". Even though most of us come from a German Heritage, the Christian Education Committee would like to sponsor a **Cultural Family Dinner**. Since Easter is early and there are many activities happening, we are considering the middle of May for this dinner. People would sign-up for an appetizer, main course, side dishes, or dessert which would represent their heritage. We are hoping people would share their stories about their families and their different prepared dishes. Please watch future Newsletters and bulletins for further information. If you have any questions, please see Beth Sikorsky.

EGG HUNT

Our annual Egg Hunt will take place on Saturday, March 30, 2024 from 10 AM to 12 Noon. In the last couple of years the price of groceries has risen. Because of the higher prices, the Christian Education Committee has decided to have plastic eggs filled with prizes and goodies for the children to hunt. Therefore, we are asking for donations to purchase the prizes/goodies to fill the eggs. If you have any questions, please see Beth Sikorsky.

BIBLE STUDY

Bible study continues in studying the Book of Acts. We meet in the church house the first and third Wednesdays of each month. We are learning about Paul's Journeys and along the way also learning about the Jewish faith and the rise of Christianity. Any questions, please see Beth Sikorsky.

News From The Pews

PRAYER LIST

Please spend a few minutes and look through our prayer list on the next page. There are many names that have been on the list for some time and may or may not be able to be removed. While it certainly does not ever hurt to pray for people, no matter what their life circumstance is, it is also good to know that some folks have returned to stronger health. If you know that someone on the list has passed away, please let the office or Pastor Martin know that as well. Thank you for your prayers for all of those who are currently on our prayer list. Thank you to those who have offered updates already!

HELP WANTED

We are looking for a few volunteers to assist in the process of streaming our church services on Sunday mornings. You do not need to be a computer genius, just have a willingness to assist to connect the Webinar through Zoom, place it on Facebook Live, make the Powerpoint presentation advance throughout the service, adjust the microphones that are being used, change the camera shot depending on where we are in the service (not done often), and then ending everything when the service is over. It is not a difficult duty, after all, I have been doing it for sometime, and greatly appreciate when Terrence Field is available to manage the technology. We will train you and guide you. It is just nice to have a few more people able to manage this important part of our worship experience. If you are interested, please see Pastor Martin or Terrence Field. Thank you! We will be upgrading the systems in early March and will have some exciting changes for the livestream of our services to enjoy.

HOLY WEEK

The schedule for our Holy Week worship services will be as follows:

Sunday, March 24th — 10:30 am — Palm Sunday worship service with the distribution of palms.

Thursday, March 28th — 7:00 pm — Holy Thursday worship service around the tables in Fellowship Hall with Communion. We will gather for soup at **6:00 pm** for those who wish to join us for a lite meal. Donations of soups would be greatly appreciated.

Friday, March 29th — 7:00 pm — Good Friday Tenebrae service at St. John's UCC, 22 Atlas Road, Northampton in the Sanctuary

Saturday, March 30th — 10:00 am — Easter Egg Hunt — see information on page 2 of the Courier

Sunday, March 31st — 7:00 am — Easter Son Rise Service with Communion in Indianland Cemetery.

10:30 am — Easter Resurrection Service with Communion in the Sanctuary

OUR MISSIONS

Noisy Offering for March is: Meals on Wheels of the Greater Lehigh Valley

OUR HISTORY:

Meals on Wheels of Lehigh County's history dates back to 1970, when a task force of concerned citizens began meeting with Lehigh County Commissioners to address the problem of malnutrition among seniors. On Feb. 1, 1971, 50 volunteers from Meals on Wheels of Lehigh County delivered a hot meal and cold bagged meal to nine clients on three separate routes.

Also in 1971, the Mayor of Bethlehem's Task Force on Health and Welfare started Meals on Wheels of Northampton County (then called Bethlehem Area) to provide nutritious and well-balanced meals Monday through Friday to seniors, homebound individuals, and adults with disabilities. Under the direction of Board President Dr. Edwin Frey, the Meals on Wheels board and staff began serving meals to 15 clients on Valentine's Day, 1972.

In the fall of 2016, the Board of Directors from both these organizations began to meet to explore the possibility of a merger. A synergy grant from the Lehigh Valley Community Foundation and the United Way of the Greater Lehigh Valley fueled this process. After 2 years of collaboration and 3 distinct phases of planning, Meals on Wheels of the Greater Lehigh Valley officially began on Sept. 1, 2018. In 2019, the organization expanded into parts of Carbon County.

As we look back on our rich history, we recognize that our success is not just measured in years but in the lives touched and the connections forged. Meals on Wheels is more than a service; it is a community of dedicated individuals, volunteers, and clients coming together to make a meaningful impact.

Join us in celebrating our history, embracing our present, and building a future where no one goes hungry, and every individual is valued and cared for. Together, we continue to write the story of Meals on Wheels, one meal, one connection at a time.

DONATE:

Join us in making a difference. Every contribution, no matter the size, makes an impact at Meals on Wheels. Your contribution helps us to assist seniors and individuals with disabilities within the comfort of their homes, providing essential services such as daily meals, groceries, volunteer check-ins, pet food, and so much more.

OUR MISSIONS

March Mission: One Great Hour of Sharing

One Great Hour of Sharing® is one of four special mission offerings of the United Church of Christ. This Lenten Offering supports the disaster, refugee, and development ministries of the United Church of Christ within Wider Church Ministries.

You're here to be light, bringing out the God-colors in the world. Matthew 5:14-15 (The Message)

"This little light of mine, I'm gonna let it shine...Let it shine, let it shine, let it shine..." If Jesus had a playlist of music, surely this familiar hymn would be among the Top Five. Jesus teaches that faith calls for action. Sharing our light, as the diverse and colorful expression of God's love here on earth, leads to making blankets, staffing food pantries, cooking meals, building houses and schools, signing petitions for worthy causes, and protesting injustices. A simple song with a simple message—our light is on a light stand, for all to see—shine and share. On any given day, light is shining because we are there through our gifts to OGHS. Your contributions make a difference. Your dollars count. Give generously. Share the light.

Don Pedro Antonio Maldonado lives in the countryside of Honduras where he works on his crops and coffee plantations. In 2019, when the pandemic lockdown happened, it was difficult for Don Pedro and his family to access food and supplies needed to maintain their harvests. His wife even suggested she leave for the U.S. to find employment and help make ends meet. Despite their challenges, Don Pedro and his wife decided they would hold on to their deep faith and stay together in Honduras. Following this decision, they received the blessing they had been hoping for when Church World Service (CWS) and local partner CASM with funding assistance from One Great Hour of Sharing (OGHS) invited them to participate in a food security program. Pedro received chickens, a piglet, sheep, and a cow. He was given intense training in caring for these animals. He also learned how to start a vegetable garden. Today Don Pedro invites his neighbors to his home to share what he is doing. He says, "I teach them by doing the job, not just giving them theory. They see that if I can do it, our community, which faces limitations, can do it too." He added that since joining the program, his family has made a good income that will allow them to maintain a happy life together in their country. Don Pedro credits all of his success to God. His gratitude and desire to share these blessings makes him a blessing to the rest of his community. His family can stay planted where they are and share the light in their community. Your contributions to OGHS make Don Pedro's good work possible. He shares the light of Christ—revealing God-colors in the world.

Christ's Love in Action

In the past, a group called Christ's Love in Action (CLIA) was formed to assist church family members. In 2016, a mission statement was written and states the purpose of this committee is to give assistance to members of the congregation who may need help due to age or health issues. The committee members visit shut ins, deliver meals to members who are in need and are willing to transport people to doctor's appointments. For many years this committee was quite inactive, however, it is the hope of the current church leadership to reestablish this committee and possibly expand the scope of the committee. If you need help with a task someone in our church family may be able to complete, please feel free to speak with Pastor, Larry, or Dawn.
