STICK to the ROUTE

'Do not let your hearts be troubled. Believe in God, believe also in me. In my Father's house there are many dwelling-places. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, so that where I am there you may be also. And you know the way to the place where I am going.' Thomas said to him, 'Lord, we do not know where you are going. How can we know the way?' Jesus said to him, 'I am the way, and the truth, and the life. No one comes to the Father except through me. If you know me, you will know my Father also. From now on you do know him and have seen him.'

Philip said to him, 'Lord, show us the Father, and we will be satisfied.' Jesus said to him, 'Have I been with you all this time, Philip, and you still do not know me? Whoever has seen me has seen the Father. How can you say, "Show us the Father"? Do you not believe that I am in the Father and the Father is in me? The words that I say to you I do not speak on my own; but the Father who dwells in me does his works. Believe me that I am in the Father and the Father is in me; but if you do not, then believe me because of the works themselves. Very truly, I tell you, the one who believes in me will also do the works that I do and, in fact, will do greater works than these, because I am going to the Father. I will do whatever you ask in my name, so that the Father may be glorified in the Son. If in my name you ask me for anything, I will do it.' (John 14: 1 – 14)

On our recent trip to South Carolina, the use of the map app on my phone was extremely helpful as we navigated the highways and the local roads to find the place we would stay, the places we would eat, and some of the places we even visited while we were there. There were even a few traffic warnings as well as police enforcement activities that we received notification for. On our trip back to Pennsylvania, there were a few times when the phone would "remind" me to "Stick to the Route"! I expected that response as I would exit the main roads to stop for a meal or a break or to fill up the gas tank. However, I did not expect it to happen, twice, while driving back on the Interstate! Twice I was encouraged to "stick to the route" while I was on the highway, not in a construction zone where we may have diverted to another lane, just humming along, or so I thought. I looked at my wife when the voice encouraged me the first time and said how off that was. After the second time, I said, "This will make a good topic to write about". We often wonder what it is we should do as it pertains to the life of the Church and what direction (mission) we should embark on. Obviously, the safest position is to stick to the route. VACATION BIBLE SCHOOL

VBS, **Joseph the Dreamer**, was well attended. We averaged 15 children and 7 adults each night. The children learned Joseph was the second youngest of 12 children and was his father, Jacob's, favorite. They made their own coat of many colors, painted rocks for the church's garden, decorated their own place mat for home, and also a craft depicting Joseph in jail with the baker and cup bearer.

Next year in Joseph The Dreamer Part 2, the children will learn about Joseph's life in Egypt and being reunited with his family.

VBS THANK YOU

I would like to **Thank** everyone who either personally helped or helped behind the scenes for a great 2023 VBS. Everyone enjoyed the week of learning, fellowship, crafts, and definitely the snacks.

SUNDAY SCHOOL CURRICULUM

The publishing company who had provided the curriculum for our children's Sunday school that we have been using for many years has officially gone out of business.

Therefore, we will be using a new curriculum which is not Lectionary based. The curriculum is published by Children's Ministry which is topic based.

SUNDAY SCHOOL

A new program year at St. Paul's will begin on **Sunday, September 10, 2023**. We will begin our year with a Bible Scavenger Hunt for our Elementary to Youth Classes. Our Pre-school children will also have a Special Scavenger Hunt. There will be a short Restart lesson and of course, the time would not be complete without some snacks.

As we Celebrate our 275th Anniversary and a New Curriculum for our children to learn more about our friend, Jesus, it promises to be a great year for learning.

WE need your help!!!! Not everyone can be here on a Sunday morning. We need teachers/ substitutes for teacher time off. If you are willing to share your time, your love of Jesus with our/ your children of St. Paul's, please contact Beth Sikorsky. **SAYING YES DOES NOT MEAN A TEACHING LIFE SENTENCE!**

ADULT CLASS

The curriculum the adult class was using was also provided by the same company as the children's curriculum. **A new curriculum has also been purchased for the class and will continue to be Lectionary based.** Maybe you have questions about some of the passages Pastor

OUR MISSIONS

Noisy Offering for September is: Northampton Area Public Library

Mission:

To be the first point of access for information, self-enrichment, leisure, and social connections

Vision:

The Northampton Area Public Library strives to be a dynamic source of information, services, and programs in an ever changing community, always something new

History of the Library

The first public library in Northampton opened its doors on August 23rd, 1965. It was located in the bay at the north end of the Northampton Memorial Community Center. At the end of 1966 it was determined that the library location was inadequate for the public needs and a building fund was established by Dr. George A. Eichler, with a contribution on October 19th, 1966, but the fund grew very slowly. In October 1971, Mr. and Mrs. George H. Schisler announced that they would provide \$125,000.00 for the construction of an Area Public Library Building. Mr. Jay Ferreira of Bond and Miller, Associates, was selected to be the architect for the building. In October 1971, the Borough of Northampton deeded the land, located on Laubach Avenue, for the new building. On April 17th, 1972, the charter of incorporation was issued. The charter lists it as a nonprofit corporation which can accept tax deductible monetary gifts. The area it serves includes the boroughs of Northampton, Bath, and Chapmans, as well as the townships of Allen, East Allen, Lehigh, and Moore. On September 30th, 1973, the George H. Schisler Building of the Northampton Area Public Library, Inc., was dedicated in honor of Mr. and Mrs. George H. Schisler.

What are the Library hours?

OUR MISSIONS

September Mission: Lancaster Theological Seminary

Lancaster Theological Seminary is a richly diverse and dynamic graduate school of theology located in the historic city of Lancaster, Pennsylvania.

An open and affirming ecumenical seminary affiliated with the United Church of Christ, Lancaster Seminary is home to an engaged community of students and faculty from many Christian traditions and backgrounds.

Our mission is to educate and nurture leaders to join in God's redemptive and liberating work so that all creation may flourish.

As a student at Lancaster Theological Seminary, you are both encouraged and challenged in your beliefs, and your spiritual formation is nurtured. You will enjoy meaningful access to our renowned faculty and build lasting bonds with your peers as you learn and worship together.

Our programs integrate intellectual, spiritual, and vocational learning that is grounded in real-world contexts through interaction with local and global communities of faith.

In 2021, we announced a partnership with Moravian University and Moravian Theological Seminary that would combine the two historic seminaries. In 2022, Moravian University opened a dedicated space in the Seminary library to introduce online programs to Lancaster area residents. Learn more at moravian.edu/lancaster.

Lancaster Seminary Values:

Critical theological reflection in scholarship and practice

More News from the Pews!

The Hawaii Conference United Church of Christ

PNEC Conference Minister Bonnie Bates received the following email dated 8/12/23 from Rev. David Popham, Hawaii Conference Minister. This email was sent to all Conference Ministers. Bonnie wanted to share it with our churches and members.

Regarding monetary donations:

Congregations may mail their donations toward the Maui Fires to the Conference Office (431 Delaware Ave, Palmerton, PA 18071) or mail them directly to the United Church of Christ at P.O. Box 71957, Cleveland, OH 44194.

Once again, thank you all for your kind words, prayers, and holding us in the light of God. Many of you have been through disasters before and I appreciate your insights and hard-earned wisdom.

Lahaina:

Today the fire has become the worst natural disaster for the islands since becoming a state. The Hilo tsunami of 1960 killed 61 people, Hawaii's deadliest disaster. The death toll for Lahaina is now 67.

Authorities are letting residents back in. But it's over a dirt road that runs along cliffs. On top of that once you get in there is no electricity, water, or phone service. A few hearty folks are remaining in town. 80% of the town (1700 buildings) were destroyed or damaged.

Waiola Church - the campus did burn. The concrete walls of the sanctuary remain. Interestingly the front lawn and historic cemetery were not touched by the fire. Kahu Rosa's house survived, but the next three houses (all family members) did not. All members of the church have been accounted for except for one couple. While we hope it's just a matter of contacting them, we are preparing for bad news.

Other Maui Fires:

Four major fires erupted on Tuesday. All four are still burning, but at presently not a major threat.

We had two ministers in evacuation zones and one prepared to get the order. A fourth minister, Kahu Kojima, reported a distant relative in Lahaina did not survive. The relative had a heart attack while evacuating.

All totaled four churches were under threat by the fires. Three fared well and one is attending to the needs of fire victims in the upcountry area of the island where the church is located.

What Happened:

Along with what's being carried in the news, Maui regularly has brush fires this time of year. It is the midst of our dry season and August heat does not help. On Tuesday multiple brushfires broke out across Maui, the four large ones and I've heard about five small ones as well. Living on islands, we cannot call in the fire brigade from the next county over. The fire above Lahaina had been contained and was all but extinguished when the winds picked up - 60 to 80 miles-per-hour gusts. The fires broke out and thinly stretched personnel could not keep up with them.

Pastor's Message Continued

Jesus was telling his disciples about what was to come and that He knew the place and he had to go there and prepare it, so that they could eventually be with him in that place. They were confused and asked to be shown the way. He replies that "He is the way!" Yes, he is the way we should act and live and the One we fall short of example regularly. He is the One who has taught us, and died for us so that we could enter that place He has prepared. So, should we stick to the route because it is easy? No! Should we change the direction we go, because we disagree with a person, or an initiative, or a teaching? Perhaps. How do we know when to change and when to stick to it? We don't often know that exact answer, however, we can glean help from scripture, we can talk with each other about hopes and dreams, we can look to the One whose disciples we have become. He calls us to go, and to make, and to me, that means we cannot always stick to the route. We have to be willing to move together to place into action that which Jesus expects from us. Sometimes we have to move out of our comfort, and try something new, sometimes we have to retreat to that which is comfortable, but always, we need to be supportive of each other in prayer and in faith even when the storms of life detour us from where we are headed. Our God is not done with any of us, so let's get prepared to move, perhaps in ways that are uncomfortable as well as in ways that are totally unknown currently.

May we follow where Jesus leads and follow with a willing heart and mind as we celebrate where we have come from and where we are going!

Pastor Martin

HAWAII CONTINUED

The second prong is long-term recovery which our Conference Disaster Coordinator, Danny Tengan, is already involved in. He is former military and very good at telling us where to be, when to be there, and what to do when we are there.

The Conference has opened up a 2023 Hawaii Fires Relief Fund. Donations will be split along our two-pronged approach as needs dictate. We are telling people the following:

For those who are in the wider UCC family please give through the National Offices Relief and Recovery Fund. We are working in partnership with them.

For those in the Hawaii Conference or not UCC to give through the Hawaii 2023 Fires Relief Fund.

Wailoa Church is requesting those wanting to donate to them specifically to give through the Conference. These gifts must be marked "Wailoa Church" or they will be assumed into the general fire fund which is being used for multiple locations and needs across Maui.

The Spiritual Pulse:

The magnitude and longevity of recovery is just now becoming a reality for our Maui clergy. The
