

## **Step Study Guide**

### **Week No. 17**

**ASSIGNMENT** Before the meeting, read the chapter “Working with Others”.

**AT THE MEETING** Discuss the chapter.

What are the step-by-step requirements for a Twelfth Step?

Have you ever tried this?

Share your experience with the group. In cases where the alcoholic has not responded, have you worked with the family?

Did you offer them your way of life and what results did you have in this situation?

Do you believe that you should “burn the idea into the consciousness of every man that he can get well regardless of anyone? The only condition is that he trust in God, and that he cleans house?

Is this the basis of the statement that this is a “selfish program”?

Is it really a selfish program in the true sense of those words?

Chapter Eight: “To Wives,” Chapter Nine: “The Family Afterwards,” Chapter Ten: “To Employers,” and Chapter Eleven: “A Vision For You,” are all chapters to teach you how to practice those principles in all your affairs. These chapters contain many spiritual truths which apply to all of us and should be read. Your group may decide whether or not you wish to discuss one or more of these chapters to conclude your Step Study.

### **Week No. 17**

A reading of the last portion of the book on page 164 is a fitting way to end your Step Study Team. Haven't you already had the benefit of a contact with those who wrote this book? Don't you now know where you should really rely?
