

# **The Mustard Club – Front of House Team Member**

## **About Us**

The Mustard Club is an all-day café serving espresso in the morning; sandwiches, sides, and salads at lunch; snacks, aperitifs, and wine in the afternoon and into evening. We're a neighborhood spot that values good food, warm hospitality, and a welcoming atmosphere.

## **The Role**

We're looking for friendly, multi-talented FOH team members who can flow between roles with ease. You might be making a latte, pouring a glass of wine, running food, or refreshing the restaurant after a busy rush — every shift is about keeping service smooth and guests happy.

## **What You'll Do**

- Run the register with efficiency and great guest interaction
- Craft coffee drinks and keep the barista station humming
- Pour wine and simple cocktails (spritzes, etc.) with confidence
- Run food and keep the floor moving smoothly
- Keep the restaurant immaculate
- Jump in wherever needed — we're a small team that works together

## **What We're Looking For**

- Hospitality, café, or barista experience a plus (but we'll train the right person)
- Friendly, reliable, and able to multitask in a lively environment
- Comfortable working with both coffee and light alcohol service
- Must be 21+ to serve alcohol

## **Perks & Pay**

- Flexible scheduling (full-time + part-time)
- We close at 7:00pm so no late nights unless we have a private event!
- Staff meals
- Hourly pay + Tip share across the team – Hourly rate matched to experience – let's talk!
- Be part of a brand-new concept with room to grow
