Up/Directional Lighting

PRESENTATION VISUAL ART OF LIGHT

The venue, flowers, cakes, menus, food, photos, and people all look better in the right light.

Pinspot Lighting

Photo credits to various photographers; please contact us for photo credit information.

Vision is one of the most important senses to entertain during an event. Lighting is the magical element that helps you define exactly what your guests see.

Monogram Lighting

BIG PICTURE VIVID COLORS OF LIGHT

Lighting can turn an ordinary event into something spectacular bringing together sights, sounds and tastes into a symphony of excitement. Lighting sets the tone of your event from the instant guests arrive bringing your event into bigger than life proportions.
